STANDARD NOTES.
Coming to a break down on the line,
Mr. Butler's notes were received yesterday.

The following appointments have been
made by His Excellency the Governor:
Joseph Carter Wall, to be Registrar of
Deeds, Nairobi; Walter Adams,
Nairobi; Paul Phillips; to be Registrar
of Deeds, Nairobi; John J. Tindley
to be Registrar of Deeds, Nairobi;
Richard Edward Clark, to be Acting District
Commissioner, Nairobi; Darius
Holloway Curzon, to be Acting District
Commissioner, Nairobi; Ralph
Hargrave, to be Registrar of Deeds, Nairobi.

It is noticed for general information that
telegraphic advice has been received from
the International Telegraph Union at
Horn to the effect that the Italian (Italian
Telegraph) office has not been
advised in the telegrams destined for that
country. It is also noted that the full
address of the addressee must be given and
that the signature of the sender must be
included. Such telegrams will be accepted
at the risk of the sender and no liability
thereon will be admitted. It is also noted
that all telegrams sent to Italy and
other countries are subject to private
censorship.

A minor accident occurred on Thursday
morning at the intersection of Prater
Avenue, and it was reported that the
driver of a motor car, who was proceeding
westward, was struck by the rear of a
taxi cab, which was proceeding eastward.
The driver of the motor car was
slightly injured, but he was not
admitted to hospital. It is also noted
that the taxi cab was driven by a
man who was not licensed to drive.

TO BELGIUM.
(Continued from page 1.)
The Belgian Government has
announced that it will
continue to support the
Allied cause, and that it
will continue to fight
for the liberation of
France.

CHINESE SUMMARY OF WAR.
Here is a young Chinese's
summary of the war, as
it appeared in the
Chinese press. It is a
very interesting and
valuable contribution
to the knowledge of
the Chinese mind.

THE GERMAN WAY.
Professor Helmuth Murray, writing
in the Standard, says:
"Germany there is more dead-end
and more law of invention. Men
perceive that the war is a
struggle for the survival of
the fittest, and that the
only way to win is by
the use of force."

NO REPRISALS.
We may as well admit once and for
all that we cannot compare with Germany
in this matter. The German public will
liberate more brutally than we
could. It is a pity that we
cannot do so, but we must
not let our hands be
tied. We must be
able to defend ourselves
against any and all
attempts at aggression.
