Nairobi, February I

year. Mr. C. Udall was elected President in place of Mr. Cearn who retired, Mr. Clark was appointed vice-President, Mr. Moynagh, Secretary, and Mr. Cearn, Treasurer.

The week has been one of annual general meetings, which we suppose is only matural, in view of the time of the year. That of the Y W C.A., which was held on January 31, produced, a splendid report from Miss Saunders, the Secretary, of the control of the Week data by this generalized.

Miss Saunders, the Secretary, of the not of work done by this excellent totion during the past year. It is to totion during the past year. It is to reasted that the aspiration to have the Hostel completed before the current has expired will be accomplished. The rid of Management elected consisted or or of Management elected consisted or ent, Mrs. Bowring; Vice-Presidents, legic, Mrs. A. J. Barry, Mrs. Beaton; Freaturer, Mrs. A. Legat; Committee, Burkett, Mrs. Cearn, Mrs. Davis, Giffard, Mrs. Gouling, Mrs. Harrison, Laws, Mrs. Lewis, Mrs. M. Mackin-Mrs. Miller, Mrs. Sergeant and Mrs.

THE WEEK'S HAPPENINGS.

ring the Turks they ever had February 15. the day upon which the Grand Duss Nicholas was given command of the Russian army in that direction.

The footer match on Thursday afternoon between the Wireless and Signalling Sec-tion of the lat South African Horse and a Nariohi XI was productive of some good keen football, the hundred or so spectators, who turned up being well repaid for the trouble taken. The South African addiers, won by a goal to nil, and had there been one by the south of the control of the passet margin, it would not have niner-ten the south of the play which be the south of the play which which white white We understand that white some people in one district are now setting their watches by the time the light goes the state of the watches by the time the light goes on the exact time the light will be out or any particular evening. Quite a Rost of money has changed hands, as the ighters are coming into the limelight of the sporting world this afternoon. It is the South African Section of the East the South African Section of the East Africa Motor Transport Corps, who play the Parklands Sports Glub at cricket on the home ground at 2-15. Let us hope the latter will extend the motorists a bit more than they did the 3rd S.A.H. They could matter is so uncertain

The following story may be of interest to ness in the N.D.F. A man was before a nectical band suffering from varicose veins. When asked by the doctor how be con-nected them he said: "Well! It was like the I was on the extreme right flank of the British army when the order came along to left form, and I had to mark time for three weeks whilst the other lot got The aforementioned Club held their the British army when the cameting on Friday, January 28. It seems for three been satisfactory affair, and was well attended. The financial report and round!

The last man to leave the Annae some was a Yerkakire soldier, who writigs: "It stayed behind to blow up the last gen. It was rather unnervine, being left alone, with not a soul anywhere and no lights. My instructions were to destroy the gun, and each up to the last party. The latter had just got into the boat when I joined them."

HELP

The Government House War Relief Fund.

An appeal has been addressed to the Officers, N. C. O's, and men of the Local Forces to contribute One Day's Pay a Month, in connection with the above, the object of the Fund being to help men of the local Forces when their soldiering days are over, and they re-enter Civilian life. The Fund will also be employed for the purpose of helping the dependents of those men who suffer through their Military Service.

The same appeal is addressed to the Civilian Community, through the Organising Committees. The Fund has an approximate balance of Rs. 16,000, but much more is needed, in order that every deserving demand may be met.

(For further particulars see Circular Letters).

SATURDAY, FEBRUARY 5, 1916.

Behind the story

The "Appam" of the "Appam, Argument. the liner which was seized by a German war-vende to America of a prise crew, a principle of no small importance begins in charge of a prise crew, a principle of no small importance begins to reveal tield. The Appan, war, captured in accordance with the recognised customs of war, the continual rules and the extraordinary conditions under which German is attempting to take part in naval operating to the transfer of the transfer German war-vessel off the Canary Her naval activities are now con-fined exclusively to the hidden movements of such isolated sub-marines as succeed, for the time being, in eluding the allied fleets. being, in eluding the allied fleets. In the present instance, appar-ently, the usual procedure has been slightly varied. As far as we can identify it, the "Moowe," which was responsible for the capture of the "Appam" and other ahips, is a small war-vessel of the

national law governing the posal of prizes. That law cles assumes that prizes will, as a r be taken to the port of the of II provides, only in case of eugency, that a prize may be, and after the crew and passenger safety. In every instance its German method is necessarily those of emergency. Cut off from must either abandon or sink ewy prize, without exception, and, as we know, they have generally distributed by the safety of the ship's company. The Germans, therefore, are out or court from the outset. And this latest incident opens up a ne avenue of complications. It doubtful whether, in the case of the "Appam," the German con mander could prove the effective ness of his capture. The essential feature of the enterprise was the neutral American port. If the Germans are to be allowed to count upon neutral ports as depots for their prices, then the neutrals ceases to be neutral. neutrals cease to be neutral, the "Appam" case is accepted a precedent, then America must be racked the Appam of the Appam could not take the ship to a Ge man port because we have no command of the sea. Though we have not the power to observe accepted laws of the nations, we insist upon the right of our sub-marines and isolated raiders to seize defenceless enemy ships

though they may legally captu prize, they cannot, in any c observe the spirit of the in

shelling between Anere and the Somme and also to the north of the La Bassi-canal. There has been considerable artil

ry activity about Hoogs.

A Paris communique states that there has been an intense artillery duel in Artois, to the north-east and south-east of Neuville.

London, February 8

THROUGH BETTER'S AGENCY 1 London, February 3. states that an attempte A communique states that an attempted erman offensive, on the Aisne, after an

German officiaire, on the Aisse, after an artillery preparation, was slooped by a curtain of fire and fusillades.

A communique reports heavy shelling, to-day, directed on Loos and our trenches in the visinity. We replied most effectively. There was some mining activity; mainly on our part, about the Hohenzollern reducit and between this and the La Basses. Haig says that the day has been quiet, with the exception of some hostile artillery scii-vity about Loss.

The bombardment of the hostile trenches near the Ypres-Roulers railway has been carried out.

road.

London, February 4.

A Paris communique states that the enemy trenches, and marching troops to the north of Aisne were subjected to the severest bombardment. overest bombardment.

During mining operations in the Argonne
se Freuch exploded nine mines, at various
sints, wrecking the enemy's underground
orks. Attempted enemy attacks were

works. diately stopped. mmediately stopped.

A Paris communique contains the information that there is nothing to report, with the exception of a reciprocal bombardment in the Voages

London, February 5.

A Paris communique says that the day has been comparatively quiet. The French heavy gams shelled an enemy infantry column and convoys enter-ing Roye. The German works in Champagne, the Argoine and Lorraine were heavily bom-banded. A Paris communique says that our artil-lery effectively bombarded the enemy trenches before Steenstrate. Our artillery fire in Artois caused six explosions in the German lines to the north-

explosions in the German lines to east of Arras. We hombarded the enemy barded.
