ROUNDED UP. East African Success SURRENDER OF GERMAN FORCE NEAR KONOIA (KANGU)

ARILLERY DUELS Violent Struggles Everywhere LULL IN INFANTRY ACTIONS ON FRENCH FRONT

THE British forces in Flanders have moved forward again and complete success has been achieved. The Germans, battered and exhausted, were pushed out of highly important commanding positions and all our objectives have been gained. Over 4,000 prisoners have fallen into our hands, besides guns and material. Thanks to the superiority of our artillery, the British continue to have the light.

Further probing operations were carried out in East Africa, involving the capture of German forces which had been operating westward of the British line. All these 300 miles of the hundreds of native carriers have been captured by our sweeping columns. The information is contained in the following report from the German commandant at Konoia. A German detachment, consisting of 100 men, 300 native troops, and 500 mules, had surrendered both near and west of Konoia.

## Tea

Good tea is almost a food as well as a drink. It satisfies hunger as well as thirst.

Tea has all the good effects of alcohol and none of its bad ones. It possesses other virtues besides. Tea drinking is a good habit—alcohol a bad one.

Be sure of good tea and buy Brooke Bonds.

Two qualities of Brooke Bonds tea are sold in Africa. The best is Red Label, which is fine tea flavoured with Chochoor Daring. Green Label is pure Indian tea of good strength and flavour. Both qualities are packed in 4-lb. and 1-lb. tins containing full net weights of tea.

WHAT'S IN A NAME?

Says the immortal bard. We say IT ALL DEPENDS on the name. If you know that a thing really is what its name proclaims it to be, then there is a GREAT DEAL indeed in a name, and when we say that our stores are UNIVERSAL we mean it in every sense of the word as applied to groceries, provisions, wines and spirits, cigars and tobaccos.

NOTWITHSTANDING the abnormal times in which we are living, we can still supply you with all NECESSITIES and LUXURIES from cheese, bacon and butter to oysters, caviare and asparagus; from the modest currant to a delicious fruit salad; from the popular whiskeys to the choicest wines and liquors; and from the wild woodbine to the fragrant Bouton Rouge. In fact we cater for all palates and all pockets and we can guarantee that if you place your orders with us you will not be DISAPPOINTED.

NATIVE TERROR

Settler's Home Destroyed ESCAPED CRIMINALS ON THE UASIN GISHU

The following correspondence has been received from Captain E. Leventon, of Eldoret, and the Services, who has been located in the following manner:

To the Chief Secretary, Nairobi. Sir— I beg to beg before you the following facts in the case of a young fellow who has been the victim of the native terror on the Uasin Gishu. I am sure that you will be able to do something for me in this matter.

During the first week of December 1914 I was invited to a dance given by the natives of the Uasin Gishu. I went with the Royal Flying Corps. I was in a seven storey house, but when I was in the middle of the dance, I was taken to the Royal Flying Corps. I was taken to the Royal Flying Corps. I was taken to the Royal Flying Corps.

**Tea**  
 Good tea is almost a food as well as a drink. It satisfies hunger as well as thirst.

Tea has all the good effects of alcohol and none of its bad ones. It possesses other virtues besides. Tea drinking is a good habit—alcohol a bad one.

Be sure of good tea and buy Brooke Bonds.

Two qualities of Brooke Bonds tea are sold in Africa. The best is Red Label, which is fine tea flavoured with the finest Darjeeling; Green Label is pure Indian tea of good strength and flavour. Both qualities are packed in ½-lb. and 1-lb. tins containing full net weight of tea.
