THE KILINDINI **HARBOUR** EXTENSIONS.

Deep Water Pier Possibilities.

sea wall another 350 feet or place out floating pontons as the Manager as the Marbour Board authoritis arranged to meet the need to Mauretana and Lusiana way would suggest the com-Departmental Undertaking Working Satisfactorily.

On Tuesday afternoon last we as soon as can convenient, paid a visit to the Kilindini Harbour arranged to discuss the Plan vision of lara now in the course of being the course of lara now in the course of lara now in the course of lara now in the course of lara now. paid a visit to the rammin the results of are now in the course of being an out. If the Merchants have all nade with the new undertaking. We vere accompanied by Mr W. Graham d the Rainway Service who is the Engineer in charge of the works, having recently succeeded Mr. H. Hay After taking a birdseye ya woof whole site we proceeded to the resess of making Several hundred each have been completed and stacked ready for immediate use, the balance of the blocks, Mr. Graham Mu estimates, will be completed within a ew months. The total number of blocks to be constructed are 1,588 which is sufficient to face a wal about 1,000 feet long. The new sea The Nairobi Fire Station is not used to and that been handed over by Ma Ta Longworth to the Municipality. It will be remembered that the funder make the building by a hazara bell of the building by a hazara bell of the building by a hazara bell with the building by a hazara bell of the building by a build wail will commence by facing the present landing jetty for a distance of 5 feet and thereafter will branch off into deeper water at two different angles at distances, measuring from oint to point, of \$50 feet and 375 feet

espectively The blocks are to be laid by expe renced Divers who are now on their was from Europe and these expertplaced upon, a steer pontoon which is at present undergoing construction for that purpose. At ng the sea wall ten to crantes will be creeded at in ervals to work car to out of or inte the lighters plying from the ships anchored in the channel

With the completion of the sea vall, as at present decided upon, the total area of land reclaimed from the sea is estimated will 16 acres. This are a has been plann ed out as follows. Alone the present Jetty will stand the general Import shed, a building some 360 feet long by about 50 feet broad, at the immediate rear will be a similar building divided into six to eight compartments which are to be leased to private firms for the purpose of storing their merchandise, either in or in any sound proposition out of Bond. Immediately behind this sums of £100 to £1.000. second shed will be the passenger shed where passengers biggace etc. will pass the Customs authorities. Between this shed and the sea an area is set aside for the erection of spacious General Customs Offices

At the second wall facing West and parralel with the railway lines will stand the general Export shed, a simlar building to the Import shed only without provision for private Godowns The new Pier Railway Station will stand in the same position as the as under to

of fencing posts per thousand as under, to be either Make Cedar, Olive, Stinkwood or Grosmall Railway offices occupy to day. In all there will be twelve Railway the balance of the available pace being set saids for the public roads leading from Monthasa and Kilm dint townships and for future extensions.

Mr. Graham b. heart.

Prices to be quoted for delivery rail at Nairobi Railway Station Mr. Graham hopes to have the pre sent works finished at the beginning of 1909 and we were much pleased to note the very practical way in which the undertaking is being directed. With some 250 Indian coolies and 400 Natives engaged we noticed none of that persistent loafing which characterises meet of the Departmental undertakings of this country. Every man had his place

came to the conclusion that is to make a deep water Pier, a to make a deep water rier, ships can load and alongside, it will be to extend the present sea wall another 350 feet Notes.

Smith having dealt. Brown plays

a second discard.

He might have discarded four letters for soing the word PO L.E. Thou, shows are would have left him with a single consistent and on national grounds be preferred to keep a vowel also. The state power is seen in the proof stand, as the result shows.

All he can do is to commence

CAMBRIDGE WINS AGAIN.

21 LENGTHS.

South having dealt, Brown plays first by discarding three letters which form a complete work—LOP—and he furlet with the first high states of E. K. No word of Toke has three letters may be discarded, so that the letter remaining howns is hand must be either "land," if opportunity serves at his next turn, or he must draw from the packe to the chance at of getting a T. A. B. or some oline letter which will enable but no clear his hand by April 6 .- Cambridge won the Boat Race by 24 lengths

How to Play Spelka.

Rpsika is a new and fascinating game founded on the old game of "spelling less. As the well-known literary citch wierer it was invented and perfected it all including the configuration in a casual game of spenned beginning to the configuration of the control of the configuration of

bilities are only immediately before the player of lour interes, not no decisions to play? I are four interes, not no decisions to play? I are four interests, not no decisions play it is simple to the baginer and satisfactory to the aspert, and both case play at the same state and meet on common ground and with fairly equalised not be as a possible of the dealers turn to play. He

common ground and with faulty equalized. It is now the deserve virtual to the control of the con Arthur Morrison, satisfier of sharp store I vigots.

All he can do is to commence the second grin and delightful, Mr. Mostyl, and I was a few formatter of the game which consists of laying when weekly enlives the world with hard Nr. Max can be met enter the third when the satisfier of the state of the state of the satisfier of the state of the state of the state of the satisfier of the state of the state

made the game their special hobby the card or early sirealy had I begin the pairs are played with a pack of fifty two they holp to furm a complete word cards early early early seal to the whole. Suith decides to play firs "V

such each surfly assisted. The shorter states are considered to the state of the st

desire players are neconvenient. With four of the player the figure is at late to prove the player the game is at late to prove the player the game is at late to player for this own hard and as the game is worthy to the game is the supposed form, because the caules hap the player the first succeeds in getting rate of sets that the steep player the player that is succeeding to the variety of the player that the steep player that the succeeding to the variety of the player that the steep player that the pla

Lord Crewe succeeds Lord - Elstin

WILL THE LIBERALS RETAIN THE N. W. MANCHESTER SEAT?

The Licensing Bill to be First Business uneral Merchants & Auctioneers

Parliament re-assembles on April 29th.

(REUTER)

April 1.3.—The following is the formation of the new Cabinet:- Mr Morley and Mr. Churchill have re signed their seats the former on being promoted to the Peerage and the latter on being appointed President of the Board of Trade. Sir Henry Fowler has been raised

to the Peerage. Lord Tweedmouth President of the Council, Lord Crewe Secretary for the Colonies, Mr. Lloyd George Chancellor of the Exchequer McKenna First Lord of the Admi ralty, Runciman President of the Board of Education, Col. Under Secretary for Colonies, Lord Lucas Parliamentary Secretary for War, Acland Financial Secretary for War, Buchanan, Parliamentary Secretary for India. All the other posts are unchanged.

April 11.-The remaining secon dary posts in the Cabinet will be filled un next week. The chances have enerally the most favourable recep Laberal and Unionist organ alike declaring that the Ministry has een strengthened though Mckenna's 3 years rigorous imprisor advocacy of economy causes the Unionists some apprehension regarding

the Navy.

Messrs. Hobbouse, Machamara. Masterman, Mackinnonwood, have re spectively been appointed Secretaries to the Treasury, Admiralty, Local Government and Education and Lough to the Privy Council.

It is officially announced that the status of emoluments of the Board of Trade and Local Government Board will be raised.

April 15.-Writs have been issued for the Manchester and Dewsbury elections.

Mr. Churchill and Mr. Runcimar on Monday opened contests in Man chester and Dewsbury which promise to be of the keenest.

NOTE.

The change in the Colonies which most closely affects the Colonies is the appointment of Lord Crejic to succeed Lord Edgine. The change is the colonies of the Colonies of the Colonies of Lord Lord Edgine in the prime of the and with strong fighting insistests. Lord Crewe has distinguished himself in the very high positions of Lord Lord Colonies. Mr. Churchill's Loss to the Colonial Office will be ascepted with complexery by most of the self-generating Colonies but not all Churchill's sympactics. The Churchill's sympactics with a colonies with a colonies colonies and the colonies will be also given by an extensive the constraints of the Colonies will be also given by the colonies will be a colonies to the Colonies will be a colonies with a colonies with a colonies with the colonies will be a colonies with a colonies with the colonies will be a colonies with a colonies with the colonies will be a colonies with a colonies with the colonies will be a colon ting Condisions we won Mr. Churchill's sympto-thy and the sympathy of a man in power is something worth having. Cultivated Rub- Electric Light for Mombasa.

Public Meeting Promises Support.

HOW THE PROPOSAL CAME ABOUT.

A useding was held fir the Treatilier's react the Treatily Monlass at the Treatily Hullings Monlass proposed scheme for providing Monlass city with Electric Light.
The following were present.—The Host Re. L. Combs, Crown Advocate; the Hon. Major Lagott are, as not, the Hon. Colonel Will. Principal Medical Officer: Mesers. A. O. Trembel, O. Torka, W. A. Sim, A. Bayans.

Principal Medical Officer: Mesers. A. G. Turnbull, O. Tonks, W. A. Sim, J. A. Bayne, R. F. Mayer, A. Parenti, A. Liaing, J. Farr, K. Schaner, J. Gosling, A. Winchker, S. Sanderson, and A. G. Anderson. The Hon. the Treasurer proposed that the Hon. The Crown Advocate take the Chair, Mr. Combe however stated that his time-was very immed and possibly he would not be able to stay to the end of the meeting and proposed Mr. Bowring who agreed to act

Mr. A. G. Turoball, asked the Chairman, for information, as to how the meeting for information as to how the meeting replied that he had only just received that papers and previous minutes. Mr. Goaling then caplained that he had given verbaction to various heads of firms and had socious to various heads of firms and had some substantial to the second that the second of the control of the contr

Ms. Anderson, asked the Chairman whether there was a letter from His Excellency the Go-vernor authorising Mr. Gosling to issue a roular among certain firms calling a meetin

THE CHAIRMAN, stated there was no letter from His Excellency but there was a minute on the papers before him with reference to question before them. His Excensive unactual a Board of Enquiry consisting of the Hon the Crown Advocate, the Commissioner of Public Works, the Post Master General and himself to take evidence on the proposal.

Ms GOSLING, added that His Excellency the

eally needed by the residents.

The Hos Majos Licourt, a. m. midd-li was obvious what the meeting was called for and be thought it was a matter for congratulation that the townspoople had for the first time been granted by H. E. the Governor facilities for making a public en-quiry into the granting or otherwise of tovernor ractities for maxing a public en-quiry into the granting or otherwise of a concession affecting the town. He thought it was always desirable before concessions of this nature were granted that conquiries should be made. He did not think the present way viz. the calling of a public precising was a business-like way of going about it. He thought it would have been better if the Enquiry Board had exami-ned witnesses individually and in public as to eir views on the subje

THE CHAIRMAN thought this question

Ma Tunneul suggested that he would satisfied if the right to transfer the concess of the Government. This was agreed to and the Chairman than proceeded to estimate the number of lights likely to be waited. A for-conculting with the state of the constitution of the theory of the constitution of the constitution of the suppeared to be an immediate demand among shose present for 760 lights. The discussion then become general when the following questions were put.

Ms. Goslino asked whether it was pro-posed to have a spare plant to fall back upon in case of accident. lighting and power industry as Mombasa with this plant as a nucleus. The plant was in ex-cellent running order and the machinery bore the names of some of the leading manufac-turers in the electrical world. The plant

upon in case of accident.

Mr. Anneason replied that the under taking was at present too small to allow of such a large expenditure of capital but the machinery would be run in two or three-separate units to lessen the possibility of was up-to-date.
Having this in mind be laid certain proposals before the Commissioner of Public Works, the Hon the Commissioner for Lands and the Provincial Commissioner of

Ms Gosting asked whether the scheme huded street lighting

dide who reported thereon to H. E. the ernor. His Excellency then referred the ter to the Sites Board at Mombasa and stually to the Board at present holding Ma Andrason replied that at present i id not include street lighting but at the elof the present contract for lighting the cut with paraffine he would tender in the out-

Hos THE PRINCIPAL MEDICAL OFFICE & hing of Have shorted up the General and Native city hospitals and what voltage was proposed.

Ms. Anderson stated that if the Govern ment desired Electric light at the Hospitals and could not afford to instal the fittings the supplier would do so at his own cost and charge a rental based on the cost at nine The current would be supplied on the He did not ask for a monopoly and had

to instal second hand machinery he th Mr. Annuncon said the second hand or

ie did not ask for a monopoly and had posed an arbitration clause to prevent r possibility of tieing up the township the preclusion of a larger Company should be unable to meet the demand Ms. Anderson said the second hand ma-chinery was preticully as good as new pro-tably better as it had been used sufficient; if to put it in good running order further there the were new spare armatures to each dynamo. In It may case allotter ests of machinery except by the one set would be entirely new the thought the meeting might very well leave the question of the adequacy of the machi a sery is the decession of the Commissioner of The supplier would, if requested to do a Ms. Gosling asked Mr. Anderson whether MR. Gosativo asked Mr. Anderson whether if he was allowed to carry his wires on poles in a public street he was not virtually obtaining a monopoly Mr. Anderson register that the question was too deep for him to answer on the spur of the moment, where upon Mr. Gosling appealed to Major Leggett Public Works

upon Mr. Gusting appealed to Mary-Legistt

The Sessions Court, Nairobi. The De Crespigny Case.

BEFORE HIS HONOUR JUDGE BONNAM CARTES

A jury of five was sworn in.
The Assistant Crown Advecate appears
for the Crown and Mr. B. G. Allen defended.
The Assistant Crown Advecate graced the he Assistant Crown Advocate opened the by stating that the accused Captain

The Assistant Crews Advances regard the trial by stating that the accessed Capitals that the Capital Capitals C

out Doctor, the Doctor came and dressed the boy.

The denoused was waring a thaki over the decount of the decou

Cross-examined by Mr. ALLER: Witness was cooking for Capt. Do Crespigny. When the accident happened witness was at the fire, about 30 yards away. Could not see inside the accused status as way, was the other way. evidence before the Magistrate. Both the boy and the accused were outside the tent when the accused struck him with a spear Accused did not break a bottle of beer in the boys hand. Saw boy after death. Blows left, no marks after death. Did not tell the Magistrate in the Court below about the bandage over the eyes because he was not asked.

River.

At 3 o clock in the afternoon witness was sleeping in his tent. Heard Mr De Creeping to his tent. The ard mr De Creeping say "m with a Doctor "meaning call the Doctor Witness got up and went to his tent When he would have a war her his life him." When he arrived there saw a boy half lyin on the floor and accused holding him up with his hand on the wound. Accused asked what his had on the wound. Accords acked what wistons could do for the boy. Went into tent and brought the boy cost with To Coregory, went down to his own tent return the boy was deed. Kannined the wound which was used the left nipple and was up a sharing direction from left to right and was up a sharing direction from left to right and the left of the left

him buried and there was no bandage sever al askaries and Capt. De Crispigny wer present when witness was dressing the boy. Cross examined by Mr. Ailen. Examined he boy in day light. Noticed no wound except are one on the heart was able to see his face nite clearly no bruise of any description on

his face, witness quite certain, witness brought a field dressing pad. One produced in Court, dressed the wound with the pad and buniage and put the gauze on his face. This was all and put the gauze on his face. This that was on the body except a blanket t was buried (Trial proceeding).

LATER. LATER.

(By Press Telegram.)

The accused acquitted by a majority. Four Jurymen for acquittal one against acquittal If there is no precedent for a vertile of this nature a new trial may be ordered.

Rg, 9, 2.

Score. Love ali. Z declares no-trumps.

Note. —A and B are players against Y and Z. Z is the dealer. A has the first lead. The leader's card in each trick is indicated by an

Z
Tricks A B O, Y Z I. Tricks A B O, Y Z Z
Romark (Trick I). A has no choice but to lead clubs in the hope of discovering the sector Z takes the trick with bis queen.

Trick 3. Trick 4

Tricks: A B O, Y Z 3. Tricks: A B 1, Y Z 3 Tricks A B O, Y Z 3. Tricks: A B 1, Y Z 3. Remark [Tricks].—If the dealer one loads out his king of diamonds, he makes the odd trick certain, but he will leave the knave good in B's hand, and so diminish his own obance of winning the game, while is will be useless to establish the small diamond, since Dummy has not re-entry. E therefore diamond the source of the diamonds (after A has renounced) and branching to sender.

Remark (Trick 4).—As he will have to lose Hemark (Trick 4).—As he will have to lose one trick in spades, Z might just as well let B win the first round. If B has another club he will no doubt return it to his partner, but after playing the ace Z will still remain with the knave guarded and if A had five clube
