'Sweet Lavender Underwear

For Ladies and Children.

SWEET LAVENDER—The name conjures up memories of all that is sweet and fragrant in Old England. The blue of an English sky reflected in the fragrant blooms of this typically English flower. Its perfume brings back memories of our careful grandmothers busy in their linen cup-boards where the lavender and rosemary kept guard against the incursions of "moths of silver tray."

SWEET LAVENDER UNDERWEAR is just as essentially English in its quiet simplicity and exquisite quality, and has an appeal to the true Englishwoman far stronger than the more flimsy and elaborate French creations of to-day.

SWEET LAVENDER UNDERWEAR is made from the very finest cotton, in quality and texture almost equalling fine linen cambric. The trimmings are never ornate or vulgar—laces and embroideries of the best with the indelible touch of good taste that marks the best of English workmanship.

FOR LADIES. Nightdresses, Chemises, Combinations, Nickers, Petticoats, etc.

FOR CHILDREN Night dresses, Chemises, Drawers and Petticoats.

Ladies'

SILK Hosiery.

There is something about pure 'silk that makes a special appeal to the feminine mind, and silk hosiery

has become a necessary part of a modern woman's dress. Japan produces some of the very best and our latest consignment from the Far East includes a wide range of colourings and sizes at a very moderate price. These stockings are pure silk and about one third the price of English or French silk. Colours—Black, White, Tan, Violet, Champagne Grey and Violet.

PRICE Rs. 4-95 PAIR.

YOUTHFUL SIGHT AT 40.

It is at the age of forty when people are said to be "too old" that the faculty of sight first shows signs of failing. This is precisely when the lens and muscles of the eyes become hardened and sometimes greatly distorted. To preserve the sight the best safeguard lies in the use of proper corrective glasses as early as possible.

We examine the eyes by the most approved methods and supply glasses to the best advantage.

Services in Uganda. Dr. and Mrs. Albert Cook Decorated by King. Friends of Dr. Albert Cook and Mrs. Cook of Uganda, will be delighted to hear that His Majesty the King has recognized the valuable services rendered by the good doctor and his popular lady during the war by conferring on them the following honours: Dr. Albert Cook, D.S.O. (Member of the Order of the British Empire) and Mrs. Cook M.B.E. (Member of the Order of the British Empire). The ceremony which took place at the holiday in England, was most interesting. A large gathering of applicants to whom was assembled in the Palace, the ladies being in one room and the men in another. Of course they were all coached in the correct procedure. When His Majesty accompanied by the Officers of State, had taken his seat, a long queue was formed, each person passing singly to receive the honours, which were pinned on by the King.

FLAX INDUSTRY. Revolutionary Invention by Dundee Man. Experts in the preparation of flax have recently had their attention attracted to an invention which will describe it as a discovery by Mr. A. L. Spalding of Dundee, who has had experience in the flax preparation extending over many years. His invention is a process by which the flax is decorticated in a few hours, instead of the usual 12 to 14 days. The flax is pulled from the ground until it is a state for use in a few hours, instead of the usual 12 to 14 days. 'Sweet Lavender Underwear

For Ladies and Children.

'SWEET LAVENDER' - The name conjures up memories
of all that is sweet and fragrant in Old England. The blue of an
English sky reflected in the fragrant blooms of this typically
English flower. Its perfume brings back memories of our candid
grandmothers busy in their linen cup-boards where the lavender
and rosemary kept guard against the inroads of "moths of silver
grey."

'SWEET LAVENDER' UNDERWEAR is just as
essentially English in its quiet simplicity and exquisite quality,
and has an appeal to the true Englishwoman far stronger than
the more flimsy and elaborate French creations of to-day.

SWEET LAVENDER UNDERWEAR is made from the
very finest cotton, in quality and texture almost equalling fine
linen cambric. The trimmings are never ornate or vulgar - laces
and embroideries of the best with the indescribable touch of good
taste that marks the best of English workmanship.

The Cornerstone OF Successful Investment

It is to be bought on a dull market showing indications of improvement. That is the principle on which every successful investor has made good. Only the man who thinks land investment a gamble waits to buy when things are booming. He starts buying when the man who has studied the principles of successful investment knows that it is time to sell.

Whether buying land as a lock-up investment or for development purposes after the war, the present is the time to buy—not after the war, when our anxieties have ceased and new settlers are pouring into the country. Opinions will then be rampant, and the seller will want his price.

You can pick the country from our registers from the Coast to Kisumu, from the Setit to Trans Nile—coconuts, sisal, maize, coffee, etc., general agriculture and stock propositions, business and residential plots.

YOUTHFUL SIGHT AT 40.

It is at the age of forty when people are said to be "too old" that the faculty of sight first shows signs of failing, this is due to a perfectly natural process whereby the lens and muscles of the eye become hardened and sometimes great discomfort is experienced to accommodate the vision for near work. To preserve the sight the best safeguard lies in the use of proper corrective glasses as early as possible.

We examine the eyes by the most approved methods and supply glasses for relief of near-work.

As it perhaps, had not been the case, the fact that the new act is not in force until the 1st of January is not to be taken as an indication that the Government is not serious in its intention to have the act enforced, especially in cases where the act is to be enforced by a court of law. It is to be expected that the act will be enforced as soon as it is possible to do so.

Starting Story from Dar-es-Salaam
SUICIDE UNDER GUARD.
An extraordinary case came from Dar-es-Salaam. A young man, possibly connected with Von Lettow's dash back to G. E. during the war, was reported to have committed suicide. The source of our information was a newspaper correspondent in Dar-es-Salaam who stated that the man was a stranger than fact.

The narrative of the incident was given by a wireless operator at Dar-es-Salaam, named **Baron**, who reported that the man, who was an ordinary British N.C.O., who was under guard in the city. 'Sweet Lavender Underwear

For Ladies and Children.

SWEET LAVENDER—The name conjures up memories of all that is sweet and fragrant in Old England. The blue of an English sky reflected in the fragrant blooms of this typically English flower. Its perfume brings back memories of our careful grandmothers busy in their linen cup-boards where the lavender and rosemary kept guard against the inroads of "moths of silver grey."

SWEET LAVENDER UNDERWEAR is just as essentially English in its quiet simplicity and exquisite quality, and has an appeal to the true Englishwoman, far stronger than the more flimsy and elaborate French creations of to-day.

SWEET LAVENDER UNDERWEAR is made from the very finest cotton, in quality and texture almost equalling fine linen cambric. The trimsings are never ornate or vulgar—laces and embroideries of the best with the indescribable touch of good taste that marks the best of English workmanship.

FOR LADIES: Nightdresses, Chemises, Combinations, Knickers, Petticoats, etc.

FOR CHILDREN: Night dresses, Chemises, Drawers and Petticoats.

Ladies' SILK Hosiery.

There is something about pure silk that makes a special appeal to the feminine mind, and silk hosiery has become a necessary part of a modern woman's dress. Japan produces some of the very best and our latest consignment from the Far East includes a wide range of colourings and sizes at a very moderate price. These stockings are pure silk and about one third the price of English or French silk. Colours—Black, White, Tan, Violet, Champagne Grey and Violet.

The Cornerstone OF Successful Investment

It is to buy on a dull market showing indications of improvement. This is the principle on which every successful investor has made good. Only the man who thinks land investment a gamble waits to buy when things are booming. He starts buying when the man who has studied the principles of successful investment knows that it is time to sell.

Whether buying land as a look-up investment or for development purposes after the war, the present is the time to buy—not after the war, when our anxieties have ceased and new settlers are pouring into the country. Optimism will then be rampant, and the seller will want his price.

You can pick the country from our registers from the Coast to Kisumu, from the South to Trans Naivá—coconuts, sisal, maize, coffee, flax, general agriculture and stock propositions; business and residential plots.

YOUTHFUL SIGHT AT 40.

It is at the age of forty when people are said to be "middle-aged" but the faculty of sight first shows signs of failing. This is due to a perfectly natural process whereby the lens and muscles of the eye become hardened and sometimes dry. To prevent this discomfort it is essential to accommodate the vision for near work. To preserve the sight the best safeguard lies in the use of proper corrective glasses as early as possible.

We examine the eyes by the most approved methods and supply glasses for latest work near work.

'Sweet Lavender Underwear

For Ladies and Children.

'SWEET LAVENDER'—The name conjures up memories of all that is sweet and fragrant in Old England. The blue of an English sky reflected in the fragrant blooms of this typically English flower. Its perfume brings back memories of our careful and rosmery kept guard against the intruders of "moths of silver grey."

'SWEET LAVENDER UNDERWEAR' is just as characteristically English in its quiet simplicity and exquisite quality, and has an appeal to the true Englishwoman far stronger than the more flimsy and elaborate French creations of to-day.

SWEET LAVENDR UNDERWEAR is made from the very finest cotton, in quality and texture almost equalling fine linen cambric. The trimmings are never ornate or vulgar—laces and embroideries of the best with the indescribable touch of good taste that marks the best of English workmanship.

FOR LADIES. Nightdresses, Chemises, Combinations, Knickerbockers, Petticoats, etc.

FOR CHILDREN Night dresses, Chemises, Drawers and Petticoats.

Ladies' SILK Hosiery.

There is something about pure silk that makes a special appeal to the feminine mind, and silk hosiery has become a necessary part of a modern woman's dress. Japan produces some of the very best and our latest consignment from the Far East includes a wide range of colourings and sizes at a very moderate price. These stockings are pure silk and about one third the price of English or French silk.

Colours—Black, White, Tan, Violet, Champagne Grey and Violet.

YOUTHFUL SIGHT AT 40.

It is at the age of forty when people are said to be "too old" to show signs of fading. This is due to a perfectly natural process whereby the lens and muscles of the eyes become hardened and sometimes grow accustomed to experienced to accommodate the vision for their work. To preserve the sight the best safeguard lies in the use of proper corrective glasses as early as possible.

We examine the eyes by the most approved methods and supply glasses for instance or near sight.

'Sweet Lavender Underwear

For Ladies and Children.

SWEET LAVENDER.—The name conjures up memories of all that is sweet and fragrant in Old England. The blue of an English sky reflected in the fragrant blooms of this typically English flower. Its perfume brings back memories of our careful grandmothers busy in their linen cup-boards where the lavender and rosemary kept guard against the intruders of "moths of silver grey."

SWEET LAVENDER UNDERWEAR is just as essentially English in its quiet simplicity and exquisite quality, and has an appeal to the true Englishwoman far stronger than the more flashy and elaborate French creations of to-day.

SWEET LAVENDER UNDERWEAR is made from the very finest cotton, in quality and texture almost equalling fine linen cambric. The trimmings are never ornate or vulgar—fines and embroideries of the best with the indescribable touch of good taste that marks the best of English workmanship.

FOR LADIES. Nightdresses, Chemises, Combinations, Waikers, Petticoats, etc.

FOR CHILDREN Night dresses, Chemises, Drawers and Petticoats.

Ladies' SILK Hosiery.

There is something about pure silk that makes a special appeal to the feminine mind, and silk hosiery has become a necessary part of a modern woman's dress. Japan produces some of the very best and our latest consignment from the Far East includes a wide range of colourings and sizes at a very moderate price. These stockings are pure silk and about one third the price of English or French silk. Colours—Black, White, Tan, Violet, Champagne Grey and Violet.

PRICE Rs. 4-95 PAIR.
