AS WOOL GROWS DEARER

GROWS IN IMPORTANCE

Scarcity of wool means dearer clothes. The dearer the material the less one ean afford to run any risk of it being spoiled in the wash. Economise by washing all your woollens and dainty fabrics with LUX. It will double their life and in addition, the rich lather preserves the soft fleeciness of woollens, the fresh daintiness of delicate fabrics.

LUX coaxes rather than forces the dirt from the clothes, and IT WON'T SHRINK WOOLLENS. LEVER BROS. REPRESENTATIVE :-
