FAREWELL DINNER TO MR. PEAKOOD

[From Our Own Correspondent]
On Friday evening last a farewell dinner was given by the members of the Nyasa Club, to Mr. Peakood at the Hotel, before he sailed for the East Coast. Twenty-two in all sat down to the dinner which, as is usual in such cases, was an excellent one. It was thought a farewell dinner must be a most unpropitious omen for the man being bidden adieu. It is, however, a custom which, as far as the world is concerned, is not to be despised. It is a custom which, as far as the world is concerned, is not to be despised. Adopted by our naval authorities for smoothing the surface of the sea under any circumstances, but whatever they may be, they are evidently proving efficacious. Up to the present, the number of vessels which have been gradually but surely diminishing. Thanks to the splendid efficiency of our equipment we have managed to keep the danger, however, we are now directing the U-boats in increasing numbers, while our operations have been pushed forward with such an extent that our ships are being lost to the enemy.

EVERYONE IS glad to see the faces of friends on leave and it has been no surprise lately to welcome quite a few.

It will be pleasant news to most of us to learn that the new road so long promised to the north of the Molo Valley has actually been taken in hand.

Last month was characterized by a visit to this district by the Administration. Not only did Mr. and Mrs. Parkes come here but we had the pleasure of welcoming Mr. Dawson (D.C. Mazi), and Mr. Adams (D.C. Elgeyo).

To the ordinary layman the policy of the Secretary must needs be obscure. One is apt to ask oneself why, when a man has been sent to a district and has just been there long enough to get to know his man.

Tea

The higher altitude tea grows at the better its flavour. Tea grown on the plains is strong and deep coloured, but lacks flavour. The finest flavoured tea is Darjeeling tea. Darjeeling is a tea district in the Himalaya Mountains many thousand feet above sea level. But neither Darjeeling nor any other kind of tea is palatable unblended. Brooke Bonds are blenders whose business it is to select, blend and render tea in its best possible form. Their Red Label quality is Indian tea at its best. Brooke Bonds cannot blend better tea than their Red Label quality, neither can better tea be bought.

In this market there are two qualities of Brooke Bonds tea. Red Label is the first quality, and Green Label the second. Both are packed in 1-lb and 1-lb air-tight canisters, which contain full net weight of tea.

UGANDA'S GOVERNOR
Arrival at Entebbe
CORDIAL WELCOME EXTENDED BY PEOPLE

[From Our Own Correspondent.]

ENTEBBE, February 11.
The 10th of February was the greatest day that Entebbe had ever witnessed. The Hon. His Excellency R. T. Gordon, Esq., C.M.G., as the Governor of Uganda has received into his residence such a great demonstration was put in hand by the different communities for his reception.

The District Commissioner deputed the Director of the local workshops and the High Court with bannings and prayers while the people of Entebbe were making the best appearance like a truly organized crowd. The Officer Commanding troops, who has been recently detailed in India, accompanied them in perfect absolute line within the Entebbe compound. The Superintendent of Police led his detachments, with three red turbans, down up in front of the High Court. The Ladies community escorted a large retinue of men, making the scene a most impressive one.

Amongst those decorations, with a very great crowd of children, the most remarkable was His Excellency's mounted the pier and Mr. H. W. Wallis Esq., C.M.G., the Acting Governor and the A.D.C. greater than the Governor on board. Mrs. Gordon was presented with a bouquet, and the bands and deputies heads of departments, the Police and his ministers, Railway and telegraphical, and the Chamber of Commerce were presented to the new Governor in the middle about. The representatives of the Indian community Mr. Rahemulla Khan, Mr. Habib Khan having been unfortunately delayed owing to breakdown of his car on his way from Zanzibar.

His Excellency visited the Indian community, gathered at their triumphal arch. After the General Salute and inspection of the Military Band of Honour His Excellency with Mrs. Gordon and Mr. Wallis Esq., respectively bowed to the people. The Governor dropped at the High Court, and Mr. P. O. Costa was presented to the Governor.

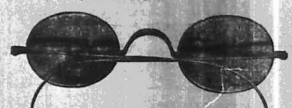

His Excellency, after taking the prescribed Oath, at Office at the High Court, reached Government House amid the applause of the populace.

HOPES FOR HIS FUTURE
Commenting on the Governor's arrival, the "Uganda Herald" says: "On behalf of the people of Uganda we tender to His Excellency a hearty welcome and may he live long in good health to guide the destinies of the country over which he has been entrusted by His Majesty's Majesty to rule. In conjunction with him a vast and varied experience gained in South Africa, his own position as Governor will be likely to give him the largest measure of success which has before him the most promising and successful of his career. We have no doubt that his presence will have a beneficial effect on the country, and we are certain that his administration will be a most successful one."

At the same time it is to be noted that the Governor and all of which are so perfect for their lives in trade which is sure to be the aftermath of the war, we believe that as time goes on he will be able to do much for the people of Uganda, and the people of the Protectorate will be anxious to see that their interests are protected in the hands of a Governor who is so well known to all the different Dominions and Colonies.

WHAT WOMEN CAN MAKE AT HOME

Two Useful Undergarments
We have much pleasure in placing for your consideration this week in our home-making columns, the patterns of a pair of useful cambric and knickers. We are constantly in want of these two articles, and really, they give quite surprising value for their cost. The patterns are ready made, if you want a really good article. Therefore, we will refer to them your own at home. The patterns are illustrated, are very simple, and in some people may make a little more sewing. It is, however, quite an easy job. After the mode or trimming suit their personal taste. The garments are made in a very simple manner, with a few pieces of material and ribbon. Therefore, though also made in the material, it is economical and exceedingly pretty, with a little trouble.
