THE LEGISLATIVE

An Ordinance.—To define the Poster High Court and to constitute and The powers of Courts Subenimate thereto.

R will be admitted that apart, and the substitution of the subst judiciary of this country has much improved and is rapidly re-gaining the confidence of the Public, thereimproved and is rapidly re-gaining the confidence of the Public, therefore a Bill on the lines of the draft Bill now before the Legislative Council is more likely to receive favourable Succiniae Naive Court as the Panis.

promised by H. M. Principal Secretary of State for the Colonies, is matter open to question. Clause 3 reads:—

Clause 3 reads;—
"These Courts shall be known as 5 ordinate Courts of the first class, second claud third class and Subordinate Na

Glause 20 reads:—

"Any Subordinate Court has at the request
of the parties or of its own motion refer to
the High Court for its decision any question
of law or usage having the force of law or the
construction of a document which construction
may affect the merits of the case, provided
adways that any such reference shall not affect
the rights of the parties to appeals on any
other ground than that so referred. Magistrate.

e Second Class by a Provincial Commis one ground than that is reserved.

Note.—An admirable Clause which a
Subordinate Courts with a right on the
motion of obtaining a higher opinion
question of law or usage or the const
of any document and thus secure as
when it is needed.

The Third Class by a District Commis

The Fourth Class by an Assistant Distric mmissioner, there is no sound reason by there should not be a Town Magistrate's

Native Court."

Note.—This should be deleted, as it is mo undesirable that any person other than a trained officer should be invested in the very high powers which the Bill proposes to invest in a Subordinale Court of the First Class.

Clause 10 provides for the granting of urisdiction to Tribal Chiefs and Councils of Elders and Clause 18 makes the further finding of acquittal into one of conviction.

(4) Where the sentence detail with under this Section has been passed by a Subordinate Court the High Court shall not infliet a greater punishment for the oftence which in the opinion of such Court the sense of court the received that committee than might have been inflicted by a Magistrate hosting Subordinate Court of 4be first in such case.

rovision in that:

Subordinate Court shall exprevision over but shall not unduly inte with the procedure, orders or punishment ony tribal authority within its Jurisdi

"(1) A Magistrate holding a Subordinate. Court of the First Class.—Imprisonment for a term not exceeding two years including such solitary confinement as is authorised by law. The chief warder, who was an Irishman, sestiated, and then crossing the floor of the sall, bent over the prisoner, who had reseated hinself, and whappered, so that the nee on guard could not hear him. "Beg pardon, sir, but I'm sure you'll know don't mean for to be imperiment——"I'm quite sure of that, Kelly. What is ?"

better than God's way, what am I to say to have her we hisself back in his dair with a laugh. "You're a good fellow, Kelly, and I desire it is a comfort to me to think that I shall have you near me at the last. But I muy puts in assmall, about Far when I first cease-lare, and I would not see him. Perhaps I was a wrong. Another it to the I meant-is won't change now. Tell him I'm much an avenue, Another it is to the I meant-if and it would not see him. Perhaps II. The chief warder sighed in opplasting-fashion and left the cell. The other two warders resumed the quiet game of map rapied, and I see fell back into the train of all thoughts from which the entrance of the

rapies, and there exists and thoughts from which the entrance of the chief warder had roused him. From the window, high over his head some beams of light fell on the opposite wall

wish.

And there was no one else—not one Natalie was far away, busy about other matters. Most likely neither she nor her father had so much as heard of the dreadful faile that had overtaken him. Surely the would have written or made some sign they had. Perhaps they had been recognise by some spy in Warsaw, and were themselve by some spy in Waraw, and were themselves n prison, with no hope of ever being re-eased. Well, of the two, he thought he arreferred his own fate. At any rate, he had his troublesome world would soon be done with each other for good and all.

The days passed slowly.

Pictures of Health.

"LEMCO" dissolved in milk is digested without any efforts it agrees with the most delicate, and is a wonderful strengthener. It makes sturdy, robust little men and maids. to a teaspecated of Lemon to half a pint of mile.

Abbevs Effer- Salt

The disagreeable features of travelling can be overcome when you have a bottle of Abbey's Salt with you.

A change from the daily routine of living brings Headaches, Biliousness and Con-stipation, which are so frequently incidental to travelling

Abbey's Salt will almost instantly relieve you of these disturbers of pleasure by its soothing effect on the Stomach, Liver and Bowels.

Company and the latter will remain
in Ugada.

Company and the latter will remain in Uganda has been follow ing the example of Dick Turpin and has played havoe for some time past by 'bushranging' along the patronage of His Excellency, the Governor and Mrs. Hayes Readler, The Curtain raiser by the pathic roads. The people, however, became exasperated in the end and drove the Highwayman into a hut, where he was promptly cremated without ceremony.

HIE Bohemians gave a successful Capt. and Mrs. Grogan passed the distinguished patronage of His Excellency, the Governor and Mrs. Hayes Readler, The Curtain raiser the polici roads. The people, however, became exasperated in the end and drove the Highwayman into a hut, where he was promptly cremated without ceremony. without ceremony.

The approach to the Kilindin Pier of which we wrote last week has been entirely transformed during the seator of years and suthor's names byes word in these settirely transformed during the seator of years and y

WE would with all due deference tender a little advice to the Railway Department prior the activated of our approach to the activate of the early fature to visit this country. No amount of public agitation for specific and necessary improvements has had the same effect as the mere knowledge of the approach of Mr. Churchill. IN the treatment of anake-bite, Prosear Richl, of Vienna (Cancet), states that the best treatment must aim at destroying the poison at the part bitten and at preventing its skorption into the system. Several methods, such as cauterisation, bleeding, compression, and the epilication of a ligature, have been advised for these purposes. Professor Colmette's antitioxin against cobras and ratifesnake poison has the disavinating of being specific for these pisons only. Extensive trials have seve been made by Professor Calmette's and Professor Faltastic and Professor Faltastic and Excellent Sparvant polarating by

neither does our revenue grow in due proportion to our expenditure, even the Uganda Railway, over the earnings of which so much has been said and written, is likely to fall short of the year's estimate by £70.000

Furthermore, no citizen gets rich

How can this state of things be explained. For our part we consider t largely due to past reckless expenditure of capital, to oblige the few at the expense of the commonweal, or in other words the attempt to bolster up the much vaunted highlands pefore the development of the coastlands has been more or less accomplished. It is a new experiment in the Art of colo-nisation and a costly one and one which was doomed to failure before entered into. In reason the Highlands should be developed but the only true policy in Africa is to develope from the coast inland and

the interior to the const We would therefore ask you that before you recommend the expenditure of further capital sums in this country you will be careful to see that we are in a position to utilise this capital to the best advantage which as history shows e have lamentably failed to do up to the present.

ot as we are attempting to do from

oroform.

That is true. Stupid of me not to think Lee was running along a narrow But how?"

"Are you reasy "Quite And may Heaven for ever-bless you for what you are doing for me to-night. You know I am innocent?"
"I dan't know anything of the details. But of Sourse you are innocent if you say so.

Now go."

As he spoke, the Prince disappeared behind

Now go, "An Prince disappeared babind the series, the Prince disappeared babind the series, and self-like the prime at Schrighed door, the series, and self-like the series and self-like the series of the passage, came you have been closed in babind him. A warder, longing in the passage, came you have been considered to the passage, came a lone for a few minutes," he said, keep- ing his feas everted, and passagin his handler- eithed over his eyes. His video was not quite chief over his eyes. His video was not quite chief over his eyes. His video was not quite chief over his eyes. His video was not quite chief over his eyes. His video was not quite chief over his eyes. His video was not quite chief over his eyes. His video was not quite handler of the passage and you make you can do to the passage appin with an extra gone, and touched his early appin appin with an extra gone, and touched his early appin with an extra gone, and touched his early appin with an extra gone, and touched his early appin with an extra gone and touched his early appin with a contract the contract of the warder when the contract of the warder when the passage his hand, made the holy sign in the orthodox manner, and metiered a but light affants to bloom the warder har grand his Almost blooms the warder har grand his

Lee raised his hand, made the holy sign in the carthodox manner, and muttered a big jung in Latin.

In the carthodox manner, and muttered a big jung in Latin.

The chief peril was now pask, for the vandessed jung he state.

The chief peril was now pask, for the vandesse yet to be seconstread were not. Lee paint, however, he nearly brake down Into vestibute he met two short, thick-set, sinister-looking men, such of whom carried a territory of the chief executioner and his assistant.

Somehow the identity annew were the chief executioner and his assistant.

Somehow the identity annew were the chief executioner and his assistant.

Somehow the identity annew were the chief executioner and his assistant.

The chief is the control of the chief is the control of the chief is the chief in the chief is the chief in the chief in the chief is the chief in the chief in the chief is the chief in the chief in the chief in the chief is the chief in the chief in the chief in the chief is the chief in the ch

self a thousand times more repulsive. To die in battle, or in mortal sickness, or of poison, were easy. But to be seized by those sinewy hands and moved bither or thinber, like a brute-beast doomed to slaughter, whose suffer-ings were not to be in any way considered, it was aimost as bad as to be thrown as food to the lions, like the slaves or martyrs of long

As Lee passed the two men one of them, he fancied, eyed him curiously, and a horrible paralysis seemed to seize on his nerves and muscles. He wished to walk calmly on to muscles. In wished to waik calmy on to-wards the outer gate, but could not. He felt compelled to meet the cold, hard gaze that was fixed upon him. And every instant he expected to hear shouts from above, and the racing of heavy, sursuing feet. use the control of th

nument. "It mey would only in more away."—It only the gate were open! Will the alarm be raised before the key can be turned? "No. The warder who kept the gates stepped out smartly, his keys dangling in his hand, and as he did so the chief execution touched his fellow on the arm authoner

southed his fallow on the arm and they waited on. In having glained at the permit present of the permit present which the Governor for the suppermit the Governor for the suppermit which the hold out to him, and, with a respectful salute, pulled open the little door "Thank year good right," all one, won-tiering as he spoke whether the man would not uad un him before he could reach the "Thank year good right," all one, won-tiering as he spoke whether the man would not used un him before he could reach the study of the stu

WHAT IS THE BEST FLOOR-

He a M. R. C. V. S. There are various opinions as to the best manner of making the floor of the piggery, and these are, of course, influenced by cost and local convenience as to the obtaining of materials. Stone, and wood under certain materials. Stone, and wood under consummaterials. Stone, are universally condemned, along with appliate, and opinion is mainly divide between the advantages of concrete sal-drinks. Our personal recommendation is brick for outside courts and a wooden statem for the sleeping place, but where example has to be considered, concrete is
