SIMPLE W WOMEN AT HOME. or which in Easy

he had been a second of the se

dresmaning
it before

I have had a very simple
model statched for you this week.
It consists of five pieces, namely,
back, faunt, shame, caller and cuit.
And it requires 2 pile, of 49 inch it looks well in all black of mate

rials, but energe de chine with a moire ribban thankel through the slots in fant gives a way pretty effect. It could also be made up in delaine winney, or Samuelette for

chaine uniness, or Simulative by a cleane uniness, or Simulative Or-noice animacy time.

To make it you start by gather-ing up the fount follows, Turn in the shoulder odgo of the back piece singly on the wange side, have the fronts gathered to much them, and join the two pasts together, taking care to distribute the follows very evenly. Soo join the understra-scatte and finish all units to prevent fraying lit is a good plan to in a little year lining, as it w the house wear hallow and is a
