PEOPLES' OPINIONS

[The E. A. Standard does not hold itself responsible for opinions expressed in letters to the Editor.]

'NOT PETTICOAT LANE DAYLIGHT SAVING

To the Editor "E. A. Standard." Sir—As I am an unfortunate sufferer from 500 miles west of Nairobi. I suppose I must expect to be imposed upon by some of those who are called business firms in the capital.

The latest atrocity, however, is worth mentioning. After being charged the exorbitant price of Rs. 50/- for a khaki suit and extra trousers and postage (khaki mark) I had the further indignity of having my coat which I sent for measurement sent back to me with both coats hacked off.

AFRICANS' WELCOME

To the Editor "E. A. Standard." Sir—Kindly allow me to express my regret to the Editor of your journal regarding the matter supply, which is the cause of the suffering of the people.

ANOTHER MONOPOLY

To the Editor "E. A. Standard." Sir—Kindly allow me to express my regret to the Editor of your journal regarding the matter supply, which is the cause of the suffering of the people.

DESTRUCTIVE BEETLES

There are two species of beetles occurring on maize. Both are very destructive. One is about the size of the adult fly, while the other is a little larger.

SEDITIONS CRANKS

To the Editor "E. A. Standard." Sir—In 1910 strains of wounded British troops (Indian soldiers) were brought back from the Punjab on their way back from the North-West Frontier. They had been fighting hill-men and others who were armed with modern rifles.

THE CLIP, THE ARMY, and LOYALTY

Indian were ordered to fight, and 1910 running to earth danger was apparent, many of them were arrested in various parts of India.

## KIKUYU RESERVE.

Case for its Settlement by Soldiers.

To THE EDITOR "E. A. STANDARD." Sir,—Though I have not actually seen it, I am told that an article appeared in one of your issues, over the signature of the Rev. Dr. Arthur, protesting on behalf of possibly without the Kikuyu, various Ministers, against any part of the Kikuyu reserve being taken for Soldier settlements, on the ground that the We Kikuyu are devotedly attached to their country.

This devoted attachment may have been applied some years back, but it may most certainly do now, otherwise why are the Kikuyu leaving their country in such large numbers on the East Coast, and settling on the various farms and plantations in the neighbourhood of Nairobi and Port Harcourt?

In the last few days I have given permits for settlement on Major Castle Farm, Kibura, (Cape of Good Hope) to 40 different families, and these 40 families have come from no less than 75 different parts of the Empire.

It is remarkable, some years ago that when the story of the Kikuyu in the East Coast was first reported to the Government, they took them to the East Coast, and there they take them to the East Coast. I further remember when I was in the East Coast, I saw many of the Kikuyu who had been in the East Coast, and they were very much surprised to find that there were not a dozen Kikuyu in the East Coast, but that there were many of them in the East Coast.

which, a Vico message dated Feb. 21 reports that the monarchist movement to capture Rome. Before the capture of the city, the British commander of the British expedition "Dianka," reached there before the intended bombardment of the grounds that it was his duty to protect British life and property in Rome and Ferrara.

## "PEACE" IN BERLIN

Announced Paris Guard Parliament

London, Feb. 3. Berlin messages dated yesterday report that the Spartacist movement, the Left, and the Independent Socialists, are planning to forcibly prevent the meeting of the German National Assembly both in Berlin and Weimar.

The movement is likely to be suppressed as it will be opposed by the Soldiers' Councils. The Government has reinforced the troops in Berlin and announced its readiness to use force in the Reichstag. The Soldiers' Council in Weimar, however, is reported to be all opposed to the Government if they are sent there.

London, Feb. 1. A correspondent at Amsterdam reports that in consequence of the outbreak of influenza in Germany, the Government in Berlin is sending troops with artillery and machine guns to the frontiers to prevent the outbreak of Bolshevism on the ground that foodstuffs cannot be imported from the East.

The *Vuonike Zeitung* says a meeting of officers in Berlin yesterday discussed a new regulation which abolishes insignia of rank and rank on uniforms, and demands the abolition of the insignia of rank. The War Minister, General Reinhardt, was present and said it was impossible to abolish the insignia and to appeal to the officers in discipline with them.

## PRINCIP CONFERENCE

Cold Water on Allies' Expectations

London, Feb. 2. Mr. Wilson has informed a number of Ministers that only one American Ally's invitation to the Paris Peace Conference has been received, namely, from the head of the American Government, but the proposal is not wholly absurd; the Allies have not yet considered what steps to take if their invitation is refused.

## EX-CROWN PRINCE

Proceedings in Berlin for Ex-Crown Prince

London, Feb. 3. The "Manchester Zeitung" Berlin correspondent reports that the Ex-Crown Prince has requested permission to visit Paris, interviewed the Emperor, and has been invited to the celebration of the centenary of the birth of Napoleon I.
