ration or adoption of a scheme in-ieduding such piece of land as afore-said and providing for the demoli-tion or alteration of any tuildings thereon so far as may be necessary for carrying the scheme into effect. The Committee is of opinion that specific powers should be alguent to the Governor-in-Council to suprove-part, of a scheme dealing with a smaller spec than that for which the authority to remove.

After further discussion the Governor and: Before I put the amilit' spea than that for which the authority to prepare a scheme was granted or may approve of part of a scheme either disallowing the re-mainder for further consideration. nning scheme is finally approved the Governor-in-Council a deat the tidents tide upon it in the The amendment was lost
Mr. Wood moved a further
strendment to clause 3, that such a

the colative plane drawings and extended tried to selice higher than the property in the colative plane drawings and extended and the name and administrative of the colative property is styled. rese of a person with whom object the National Assembly to one may be lodged, shall be pub- levy

objections.

H.F. The payment is obviously controlled by clause 4, which mentions arbitration.

Mr Wood: I want it fixed depnitely. It can hurt nobody, not writing stating the reasons for if spread over 20 years. I do not oppose the principle that the local not subsequently withdrawn, scheme shall be submitted to

authority should have a the seleme shall be submitted to the Jengalistic council at the next to reast-remote which the Jengalistic council at the next to reast-remote which the Jengalistic Council approve the protection of the scheme or any part the seleme, the seleme to the part of the scheme or has part the seleme. The characterism for this protect of the scheme or has part of the seleme to the projected.

The characterism for the seleme to the projected or the seleme to the projected or the seleme to the projected or the seleme to the selement of the seleme -hare of this; it is the method I am Mr. Macomove Ross pointed out that in the clause which gives a property owner the benefit of compe n if his property be injuriously affected by the town planning the also spread over 20 years. Wood: This is compensation

for property wiped out of existence; ons to this effect.
Instead of the Governor-in-Counthe other is an assessment.

Mr. Macgregor Ross moved an amendment that payment beengers over 10 years if required, at 6

Mr. Ross' amendment was without a division.

The Bill before being passed was

amended on the lines recommend-ed by the report of the Committee AMENDMENTS.

The Committee is gen

agreement with the straighter un-derlying the Bill, and considers that it should be enacted with used amendments as actual practice in the work of applying the simple provisions of the English Housi g. Town Flanning etc. Act, 1000, has shown to be advisable.
