ingthen regulations, and increase it: (Hear, hear.). THE POSITION OF INDIANS

onalsughts on the on side and on the other, to pursue a policy that was equal and fair both to Indians and to white people. There, was room for both reose in the development of East A'frice without interfering welfare of either

with the welfare of either,
As to the representation of Indians on the monroupal and legalative conucing, it mus, be remaindered that representative institutions there were only in their earliest infancy. That being so, the final decision in important matters of legislation really reced with the Imperial anteriors.

He might say at once that having agand to the early voing condition.

gard to the embryonic condition the institutions of the country, the position would have to be mail samed for a considerable time of having an odholal majority on the Legislative Council. What was of vital importance was that the views of every section of the community should be adequately voiced in that

assembly quantity votors in that F Cochrane run out.

In the Legislature Gound in D G Banco b Hampson Kenya the Indiana had two nominated representatives, men of high Byes 17. leg layes 6, wides 3 stequency defined the finitement of the people of their reaching with the finitement of the people of their race.

But the fact that they were nom nated while the Europeans were elected was regarded as a slight by a section of the Indian community. hat was a point on which he did That was a point on which he did not feel very strongly, and was open to conviction. He rather depre-vated altering the composition of the Legislative Council, which was only just set up, but if he was con-vinced that this was a matter on which the Indian community felt strongly and was unanimous, he strongly and was unanimous, he should see no reason why the Indian members should not be elected just as the European members were, C though the nature of the franchise n have to be a matter of very careful consideration

## Begregation

to the so-called segregation of As to the so-called segregation of races, that was a question on which there was a great deal of exaggers then and manuferstanding. There was no law compelling Indians an law there is no the property of the property of the property of the property of the property which had arisen on the question of processors. stovency which had arisen on the question of reas seem "cation was due to the fact that, in the disposal of Coverment land, certain limited areas had been reserved where whites could live and work in white could have an extra the country of the c

He was assured that suitable vacant land was available, and he would welcome it, if the Indian Government were willing to send out representatives to assure them solves that the land for Indian set-

tiers was suitable and adequate. In the townships there should be fair treatment of both races in the fair treatment of both races in smooth of the state of site. They should not give all the cent to Rusopeans and came Indians into an infesior locality. If that principle was observed, there that principle was observed. Indians into an inferior locality. If that principle was observed there exist be no question of injustice or exist be no question of injustice or endignity to the Indians. The ex-image of the races in populous paration of the races in populous towinships was originally adopted on senitary, grounds, bit he was pre-pared to defend it also on the ground that it was, disripable in the interests. that it was desirable in the interests of social comfort, convenience, and peace. So far from etimulating, it was calculated o mitigate hostility

As to the proposal to establish a Committee to advise the Colonial office in these difficult matters, he office in three difficult matters, he would be grateful for all the ejvice be could get. As a seven for of departmentalism, which he repartded as the greathest curse of our governmental space, he was not at all opposed to constant and close companionation between the various offices of fluid of the confliction of th

But the Cabinet was the ultimate to-ordinator, and he was convinced that they would be obliged to de-pend in an increasing degree upon

Cabinet Committees, bringing to ther the heads of related Depa ther the heads of related Depart ments, Lod enabling them to sattle their differences among themselves, rather than adding to that feerful congestion in Calants work which at present threatened to bring the whole machinery to standardii. He did not think he would be recepted to suinceribe to the

GENERAL DECLINE.

Mesars. W Bolus & C.'s Market Report for the week ending July 22 is as follows :

in MAIZE
The market has shown considerable improvement during the wrek July/ sug. sold at 64/3 Rhodesian value 74/ per 4°0 lbs.

Siski.
Considerable quantities of B.E.
African have arrived showing quality
fully equal to bet German. Bales
this week include 600 Bs. scool
quality £41 Prime nominally £49.

Better sorts in rather bette demand but inferior kinds depressed. F. A. Q. Nairobi 121/6. Bukoba umsaleable. Plantation sellers 76/-Native 66-0

CHILLIES Zanzibar 130-0

Handpicked 17/0 Quote

WOOL
The market is almost lifeless and at last auctions very few bids were forthcoming.

Coffee Report Moderate quantities met a fully steady demand and for really desi-rable sort, but other kinds continue depressed with occasionally lower

prices. Bales will be suspended on the 27th, instant, and will be resumed on 10th August.

The speculative market closes with September quoted at 73/6 December 72-0 and March 62/6 For

## Flax Report

The public Auction held in ondon last week was more or less fiasco. There was a fair atten-ance of buyers more cut of curiosity a nation. There was a tear atters, a second of the control of the

A small quantity of 1st quality East African was sold this week at £350 and 2nds or hoppits at £260, £350 and 2nds or ho which are full prices. The report of July 29 reads. MAIZE

hate the improvement of last week has entirely disappeared and prices are again lower. July/Aug. value 63/ Rhodesian not quoted, nominally 70/ per 480 lbs. 14212

Market is quieter and somewhat easier. Values prime £48 to £50 No. 2 £40.

Business has been at a standstill during the week owing to holidays in Scotland and Ireland but we do not anticipate any serious buying until ,we see myement in yarus and cloth Indication of values are at much reduced prices.
