Meeting Results of Executive in the Union.

UNION GOVERNMENT VIEWS

London, Feb. 12. The question of the new constitution of the Union, which is being considered by the Executive Council, has been discussed at a meeting of the Union Government, which was held in the morning of the 11th. The meeting was presided over by Mr. J. G. van der Westhuizen, Minister of Education. The Government has expressed its views on the proposed constitution, and it is expected that Mr. W. B. Williams, who is in charge of the Union Government, will report on the matter to the Executive Council on the 13th.

Mr. Williams' report will be discussed by the Executive Council, and it is expected that the Government will have a final decision on the matter by the end of the month. The Government is expected to support the proposed constitution, but it is possible that some amendments will be suggested.

New Colonial Secretary Makes Comprehensive Speeches.

CABINET CHANGES

London, Feb. 12. The new Colonial Secretary, Mr. J. G. van der Westhuizen, has made a comprehensive speech to the House of Commons on the subject of the new constitution of the Union. He stated that the Government was in favour of the proposed constitution, but that it was necessary to make certain amendments in order to ensure that the interests of the Union were protected. He also announced that the Government had decided to make certain changes to the Cabinet, and that Mr. J. G. van der Westhuizen would be appointed to the post of Colonial Secretary.

Kenya's Moral Obligation

COMPENSATION IMPERATIVE

"E. A. Standard" Scheme Still Soundest Solution

POINTS FOR CURRENCY COMMITTEE

The Currency Committee has again on Thursday, further to the satisfaction of ways and means for the introduction of a new currency scheme.

The Committee has already come to certain findings, and has issued a report to the Government. It has found that the present currency is not soundly based, and that the quantity of Rupee and Florin notes is unbalanced, the present and the future are unbalanced, and that the Government should take steps to rectify the situation.

The principle of paying compensation to holders of the Rupee (E. A. Standard) has been fully explained by the Committee. It is the moral obligation of the Government to compensate those who have held the Rupee for a long period, and who have invested their money in it. The Government should not take away the value of their money without compensation.

The Committee has also pointed out that the present currency is not soundly based, and that the quantity of Rupee and Florin notes is unbalanced. It has found that the present currency is not soundly based, and that the quantity of Rupee and Florin notes is unbalanced.

Fairplay to Everyone.

The intention of the proposal has been to give fair play to everyone. The Government should not take away the value of their money without compensation. The Government should not take away the value of their money without compensation.

CONVERSION AT 2.

The conversion of the Rupee at 2 to the Florin is a sound solution. It will give fair play to everyone, and will be a sound solution.

REPE OBLIGATIONS.

The repe obligations of the Government are a moral obligation. The Government should not take away the value of their money without compensation.

OUR SCHEME.

The scheme proposed is a sound solution. It will give fair play to everyone, and will be a sound solution.

NO ALTERATION IN VALUE OF FLORIN.

The value of the Florin will remain the same. The Government should not take away the value of their money without compensation.

ALLOW STERLING AND RUPEE TO REMAIN AT PRESENT LEVELS.

The Sterling and Rupee will remain at their present levels. The Government should not take away the value of their money without compensation.

RUPEE OBLIGATIONS SHOULD BE MET BY PAYING COMPENSATION TO HOLDERS OF RUPEE NOTES.

The Rupee obligations should be met by paying compensation to holders of Rupee notes. The Government should not take away the value of their money without compensation.

THE AMOUNT OF THE FLORIN SHOULD BE 1/2 OF THE PRESENT VALUE OF THE RUPEE.

The amount of the Florin should be 1/2 of the present value of the Rupee. The Government should not take away the value of their money without compensation.

THE FLORIN SHOULD BE INTRODUCED AT ONCE.

The Florin should be introduced at once. The Government should not take away the value of their money without compensation.
