The Extraordinary published today states that Lieutenant Colonel Kilmister Notley, C.M.G., the Distinguished Services Member of the Council has by virtue of the Letters Patent of the Great Seal of the Empire constituting the Governor and Commander in Chief of the Colony of Kenya and the Government there assumed the Administration of the Government of the Colony from the departure from Kenya of His Excellency the Governor, Sir James Douglas Smith, C.M.G., Secretary of State for the Colonies, on July 15, 1920.

It is explained why it was not discovered prior to the departure of the Governor that the necessary arrangements had not been made to transfer the Administration of the Colony to another person other than the Colonial Secretary, who would have acted as Governor until the arrival of the new Governor, and the arrangements for the transfer of the Administration of the Colony to the new Governor, Sir James Douglas Smith, C.M.G., Secretary of State for the Colonies, on July 15, 1920.

Changes
 from July 20 the Uganda Bureau will be transferred to the daily morning paper and the weekly will run in each issue times as at present, on Friday and Saturday.
