 Never before has the money of motorists in Kenya Colony

 Goodyear tyres and tubes DO give mileage far in excess of  
 other tyres. The superiority of these tyres is not a theory  
 but a perceptible reality. It is so marked as to have made  
 Goodyear tyres the largest selling brand in the world.

**THE ANGLO-JAPANESE AGREEMENT**

**STATUS OF HUMAN AGRICULTURE**

London, Oct. 25.—The House of Commons today discussed the Anglo-Japanese agreement, which provides for the withdrawal of Japanese troops from Manchuria and the restoration of the territory to Chinese control. The agreement, signed in London on October 17, is the result of negotiations between the British and Japanese governments. It is expected that the agreement will be ratified by the Japanese government in the near future.  Goodyear tyres and tubes DO give mileage far in excess of other tyres. The superiority of these tyres is not a theory but a perceptible reality. It is so marked as to have made Goodyear tyres the largest selling brand in the world.
