

KENYA NATIONAL ARCHIVES

PHOTOGRAPHIC SERVICE

Description of Document THE EAST AFRICAN STANDARD.(MOMBASA TIMES & UGANDA ARGUS).
(DAILY EDITION).

Covering Dates 1st July, to 30th September, 1921.

Reference No From E.A.S. Library.

The following reproduction(s) of document(s), the property of THE KENYA GOVERNMENT have been made by the Photographic Service of the Kenya National Archives solely for the purposes of research, and must not be quoted or otherwise reproduced by any means, either in whole or in part, without the express permission of the Chief Archivist, Office of the Vice-President, P.O. Box 30520, Nairobi, Kenya, to whom all communications respecting this film should be addressed.

Date of Production

22nd December, 1967

LAND DEPARTMENT, IMPORTANT ANNOUNCEMENT.

As from the 1st July, this Department will be moved into more convenient offices, situated on the ground floor of our main building in North Avenue.

Plans are being prepared in the position to offer our clients a far more efficient and up-to-date service than heretofore.

FARMS, BUILDING SITES, RESIDENCES.

Our Register contains a very large number of these in all districts and at all prices.

Here is an example of what we have to offer :-

Up-to-date farm of 1800 acres, suitable for growing Coffee, Citrus Fruits, and Past, and also excellent for stock, with well and recently built homestead can be purchased for \$A,000 on terms. Call upon us or write for full particulars of this and other excellent bargains.

NEXT TO NEW STANLEY HOTEL.

THE FORD POWER PLANT

First model T engine was made in 1908. It was the perfected product of Henry Ford's inventions dating back seven years to 1901 when he built his first six-cylinder motor.

During that sixteen years Ford Cap were made in many models from a little two-cylinder chugger to a big six-cylinder high-speed car.

But in 1908 the crystallized results of all those years of experience and study were embodied in the Ford power plant.

And since 1908, thirteen years of test under every condition of use in peace and war in every nook and corner of the globe has shown not a single weakness nor a need of improvement, nor any additions to the power plant which drives.

HALF OF ALL THE CARS ON EARTH

The wonderful durability and power of the Ford engine, its simplicity of operation and its economy in fuel and repairs, are reasons why the Ford car should be a good car for you to own.
