The Auctioneer would like to express his conviction that this is the greatest opportunity that has been given to those interested in stock to acquire fine animals, which come from a noted strain, and are some of the best bred ones in the country.
 The milking cows in particular are probably the best herd that have been put under the hammer in Kenya Colony.
 The reason of this sale is that Mrs. Colman-Brown is giving up the Kedowa Farm, and this is a chance for buyers which should not be missed.

United States Tyres are Good Tyres

Abusing Your Tyres is Wasting Money
 How do you know you are abusing your tyres? Don't apply brakes suddenly unless it is necessary. Avoid sudden corners, taking the wheels with care, and avoiding against the curb will chafe and burn the tyre quickly. Take good care of your tyres and they won't have to be replaced so often.
