MAI D'OR
The Distinctive Talc.

MAI D'OR
A Talc Powder, distinctive in fineness, quality, perfume and packing. Ask your Chemist to show you a tin. It must appeal to you whether you buy or not.

MAI D'OR TALC
is put up in Bellows Tins, and can be applied to the back, neck, arms or any part of the body with equal facility. The Powder comes through the bellows in an almost invisible cloud of exquisite fragrance.

MAI D'OR
is more expensive than other Talcs—but it is better and can be more economically used. It is made for ladies who like the best.

United States Tyres are GOOD Tyres

Abusing Your Tyres is Wasting Money
Show us when you need a new one. Don't apply brakes suddenly unless it is necessary. Avoiding around corners, banking the wheels with the body and skidding against the curb will shock and wear the tread much faster. Take good care of your tyres and they won't have to be replaced so often.

HOBBY TRAIL
The time that you spend on the road may be so pleasantly spent and almost expense-saving and almost sure of making you a better driver.
