MAIZE, POSHO AND CRUSHED MAIZE

To all Employers of Native Labour

Try and make forward orders to meet your Maize and Posho requirements for the next six or seven months.

If you find you will not only be saved against fluctuations in the local market, but you will also be enabled necessarily to undertake one of your most heavy of working items, which you cannot possibly store in the warehouse of your business.

The B.E.A. Farmers' Association has only a limited supply available and employs an expert to make suitable stock in order to save you the expense of a large stock.

For quotations and all other particulars apply, The Secretary B.E.A. Farmers' Association Ltd. NAIROBI.

**THE KENYA UNION AND HIS RIGHT
TO CHOOSE**
SOME IDEAS OF TO-DAY DISCUSSED
There is a selection of communications received during the week.
It will be observed that a number of these communications
deal with the various questions which are being raised
concerning the Union.

OUR BROTHER.
The Editor will not hold himself responsible for the opinions or views
of any of his correspondents.
OUR BROTHER.
To the Editor, "K. S. Standard,"
Sir, - I have the honor to
acknowledge the receipt of your
letter of the 10th inst. in relation
to the proposed Union. I am glad
to hear that you are taking
this so seriously, and I am
certain that your efforts will
be successful. I am sure that
the people will support you
and the Union. I am sure
that the people will support
you and the Union.

OUR TAXES.
To the Editor, "K. S. Standard."
Sir, - It is gratifying to note that
a special session of the Legislative
Council was held on the 10th inst.
to discuss the proposed Union.
This is a very important
step towards the
realization of the
people's desires.

OUR CURRENCY.
To the Editor, "K. S. Standard."
Sir, - I have the honor to
acknowledge the receipt of your
letter of the 10th inst. in relation
to the proposed Union. I am glad
to hear that you are taking
this so seriously, and I am
certain that your efforts will
be successful.

OUR RAILWAY.
To the Editor, "K. S. Standard."

It is a fact that the influenza epidemic is spreading so rapidly that it is now being regarded as a serious public health problem. The disease is characterized by a sudden onset of fever, headache, and a sore throat.

In smaller influenza epidemics, the disease is usually confined to the respiratory tract. However, in the case of the present epidemic, the disease has spread to other parts of the body.

In smaller influenza epidemics, the disease is usually confined to the respiratory tract. However, in the case of the present epidemic, the disease has spread to other parts of the body.
