into other as you would that they should do so now. The message that God sent to the world that he gave His own Son, Jesus Christ, to save the world from sin and death.

It is difficult to find the real meaning of the Christian message. It is not a religion of rules and regulations, but a life of love and service.

There is a point at which we are at our best, and it is when we are at our worst. It is when we are at our best, we are at our best.

There is a point at which we are at our best, and it is when we are at our worst. It is when we are at our best, we are at our best.

There is a point at which we are at our best, and it is when we are at our worst. It is when we are at our best, we are at our best.

There is a point at which we are at our best, and it is when we are at our worst. It is when we are at our best, we are at our best.

There is a point at which we are at our best, and it is when we are at our worst. It is when we are at our best, we are at our best.

There is a point at which we are at our best, and it is when we are at our worst. It is when we are at our best, we are at our best.

Effect on Subject. Now to turn to the other side of the coin. The effect on the subject of the first part of the Gospel message that God sent to the world that he gave His own Son, Jesus Christ, to save the world from sin and death.

One taste will show the difference.

One of these cups of tea is made with Brooke Bond Red Label, and with ordinary tea. They had exactly alike.

But when you taste them—what a difference! After the first, tasteful sips you often get, you will appreciate all the more the fine aroma and the rich favour of Brooke Bond tea.

Ask for Brooke Bond Tea in the patent vacuum-packed tin.

In tea prepared in the vacuum packed tin, or in other packages, BROKE BOND TEA IS BEST QUALITY.

MADE HELPLESS BY A FALL

My name is **Mrs. M. Williams**, and I am a native of the State of New York. I was born on the 15th of March, 1875, and I am now 37 years of age. I was married to Mr. J. M. Williams on the 10th of August, 1895, and we have three children, two boys and one girl. I have been a member of the Methodist Episcopal Church since my childhood, and I have been a devoted Christian throughout my life.

On the 15th of October, 1911, I was walking in the park near my home, and I suddenly fell from a high place. I landed on my back, and I was unable to get up. I was taken to the hospital, and I was kept there for several days. The doctors told me that I had a severe concussion of the brain, and that I would never walk again. They said that I would have to live in a hospital for the rest of my life.

I was very discouraged, and I felt that my life was over. I had no money, and I had no family to help me. I was very lonely, and I felt that I was alone in the world. I was very sad, and I felt that I was a burden on my family.

I was very weak, and I could not do anything. I was very nervous, and I felt that I was going crazy. I was very unhappy, and I felt that I was a failure.

You would not treat your tea like this. BROOKS TEA

There is nothing that destroys the flavour of fine tea so surely as damp. The ordinary tin or packet affords no constant protection against the moisture of the air.

But if you insist on having Brooke Bond tea in the vacuum-packed tin, you will never find your tea mild, stale and tasteless. The patent Brooke Bond tin is water-proof, heat-proof, insect-proof. The tea inside it is always crisp and fresh and pure, so full of flavour as the day it was packed.
