"An Eighth of an Inch!"
If you have ever cut into a worn automobile tyre you will
have seen that the foundation of tyre construction
is cotton.
So little a difference as an eighth of an inch in the length
of the fibres of this cotton can make thousands of miles
difference in tyre performance.
Some tyre makers think cotton of extremely long staples
is too expensive to use, and are satisfied with a less
costly grade.
But Goodyear puts into its tyre only the long fibre kind.
This is one of the reasons why—

THE CRISIS POSTPONED

TO GIVE DECISION ON SUNDAY.

Peace in the Balance.

FRENCH NOTE CREATES ELECTRICAL ATMOSPHERE.

Chains Freedom of Action.

CORRELATIVE STRATEGY.

British official circles however agree that the French note is merely to provide for continuation of negotiations and not to hinder Turkish action.

It is believed that the French note is merely to provide for continuation of negotiations and not to hinder Turkish action.

Peace — or War?

Lausanne, January 31. The preliminary character of today's speeches seemed to have any suspense and a feeling prevails that the crisis is merely a matter of time.

It is believed that the French note is merely to provide for continuation of negotiations and not to hinder Turkish action.

The public were led to believe that the crisis was the only difficulty that was to be solved by the League of Nations.

Public Debt will disappear, and away will go the Turkish Republic.
