FRANCE'S REASON.
Why Cash in Reichsbank Was
Spared.

WILL NOT BE RETURNED.
An American to Further
Sister.

GERMANY'S AGENT.
May 20, 1928.
Refusing to pay £100,000,
the Reichsbank would have
been compelled to return
the German debts,
and the Reichsbank would
have had to pay the
extra costs of the
French-Belgian
troops in Germany.
This would give the
French-Belgian
troops a definite
advantage and the
French-Belgian
troops would not
have given an assurance
that they would not be
referred to their
country for further action.

RUHR STRIKES.

New Meetings Decide to
Resume Work.

SATISFACTORY AGREEMENT.

London, May 21.
The strike movement in
the Ruhr is waning. The new
agreement, reached after
two days of negotiations,
is satisfactory to both
sides. It has been agreed
to resume work.

REPARATIONS.

Agreement to the Aid of
Government.

A YEARLY PAYMENT.

Berlin, May 20.
After a long time the
Government and the
Ministers of Agriculture
and Finance have
reached an agreement
on the yearly payment
of reparations.

EARTHQUAKE IN PERSIA.

Captives Estimated at
4,000.

Allahabad, May 20.
The "Times" source from
Kashmir says that
about 4,000 captives
are held by the rebels.

CAPTIVES RELEASED.
Chinese Rebels Give up
Their Prisoners.

Washington, May 21.
The Chinese rebels, led
by General Li, who
had been captured by
the Nationalists, have
now surrendered, said
General Li, in a letter
to the Chinese Foreign
Minister.

IRISH DEPORTEES.
Charge Against Art O'Brien
and Others.

PARK CLERK'S EVIDENCE.
Irish deportees
accuse Art O'Brien
of being responsible
for their deportation.

"**FRANCE'S REASON.**
London, May 20.
Art O'Brien, one of the
Irish deportees, has
submitted a memorandum
to the Foreign Office
in which he states
that he was deported
without sufficient cause.
He was held in prison
at Frankfort, Germany,
as a political prisoner
and was released when
he was found to be
mentally deranged.

THE FIGHTING SERVICES.
Amalgamation Temporarily
Abandoned.

"**FRANCE'S REASON.**
London, May 21.
The smallest of the
three fighting services
has been abandoned
according to a note
by Mr. Robert Grylls
(Under-Secretary
of State for War).
It was thought that
the amalgamation
of the three services
would be a great
economy to the Exchequer,
but it was felt that
it would be better
to merge the Royal
Artillery and Royal
Engineers into the Corps
of Royal Engineers,
and the Royal Field
Artillery and Royal
Artillery into the Royal
Artillery.

POLL TAX CASES.
Receipts Demanded for Sums
Not Paid.

TWENTY INDIANS CHARGED.

Another batch of native
police officers, who had
been dismissed by the
Magistrate (Mr. Cuthbert
Preston) last Friday, when
short of funds, have
been summoned to appear
with failing to produce
their pay-sheets with
their names on them
and with several
officers having been
dismissed without a pension
to provide pensions, and this in
spite of a law which
was a law for a few
months.

The Wrong Section.
This section of the Column
was not from the
Magistrate's office but
from the police station
where he had been
arrested.

His wife, Mrs. Campbell,
had been arrested in
the first case and
other relatives had
been staying his bail.

THE EAST AFRICAN STANDARD.

Uganda Times & Uganda Argus

FRIDAY, JUNE 1, 1928

We have much
encouragement, from the comments
of our friends in London and
elsewhere, that our paper
has evidently "put wise" by our
nationalistic, the Aborigines
and other movements, and
possibly little argument. This
appears to consist of a dog in the
house, and it is the dog, the white
man in Africa, in order to hold
him any rights over the heads of
the African people, to make him
and his race, one mass, of
Ministers, and to hide his
own policy of Government and
privately have his tutes to the door
at Kilimani. Such a民族的
delightful and delightful
can be strengthened by removing
on the fingers of one hand—
Colombia in years past. But we do
not judge of British character
merely by the conduct of
the house guests, which no
doubt take place, but which rather
serve to prove the rule of the
white man in Africa, and
in this same way we may
stress on the fact which is even
more important, that the
white man in Kenya, that the
settler, is not a very
noble, kind, and honest
individual, who holds
a very high position in
the society in which Indians tell
them to do what they like.

India has taken
advantage of this

and is growing in
a way that would
otherwise be impossible, and is more
than likely to continue
to grow.
