#### SPEED LIMIT FOR THE TOWN

Decision by Municipal

15 10 17 17

It is proposed that within a rtain distance of Nairobi a speed mit for motor traffic of 15 miles or boar shall be imposed to con-ol traffic in the town. The following paragraph appears

After discussion is was resolved to recommend that the principle of a speed limit of 15 miles per hour within a certain radius from the centre of the town should be the centre of the town should be the centre of the town should be the certain of radius boundaries of the points at which came should be planed, should be left to the certain of radius with the Host. Secretary, B.E.A.A. and that he should report to next and that he should report to next

Owing to the absence of the Hon. Secretary of the R.E.A.A.A. the details of the position of the tourish have not been settled but the Council, in adopting the report, apparently agreed to the principle.

THERE is no tea-destructive tropical air tinned up with this tea to play conjuring tricks with the flavour.

Brooke Bond is the tea that never contradicts its advertisements. It is advertised as good and when you get it - it is good. The vacuum packing makes this a certainty.

And what fine tea it is !- Full of delicious flavour and wonderfully fragrant. Try a tin and you will agree that for tip top quality—for sheer money's worth—Brooke Bond tops the list.
