The general impression is that the
work was more even than was
expected by the clubs of the Old
Blues...

The game opened evenly and
hardly through the first half
but the side were doing better...

Following on their heavy defeat
of Yorkshire, the All Blacks
were out of the match for the
remainder of the game...

Both Oxford and Cambridge
were disappointed by their
defeat at the hands of the
Durham players...

The final play was the case of

ATTEMPTED ASSASSINATION OF SIR LEE STACK

Bombs and Revolvers in Cairo. SUDAN GOVERNOR-GENERAL SERIOUSLY INJURED AND IN HOSPITAL.

£10,000 Reward for Accid. RESIDENCY LUNCHROOM PARTY DISTURBED BY INTRUSION OF VICTIMS.

Egyptian Terrorist. [TERRORIST'S ARREST.]

Ohio, Nov. 19. An attempt was made to assassinate the British Sir Lee Stack this afternoon. Two bombs were thrown at him while he was driving from the Ministry of War.

Three or four of the assailants stepped when they did not explode and fired several times from revolvers, hitting Lee Stack, his aide, chauffeur and a policeman.

Lee Stack was badly wounded in the chest and is now taken to hospital.

Sir Lee Stack.

Cairo, Nov. 19. Sir Lee Stack, who is now recovering in the city of the Ministry of the Interior, was today shot in the chest, but did not seem to feel any pain. The assailants followed the car, which was travelling in the street, and fired continuously. They fought the man and reloaded his revolver from a magazine hidden by a man standing on the sidewalk. A policeman who pointed him, was hit seriously in the chest.

The assassin ordered a taxi and tried to escape in a motor car, but was stopped down for the purpose of catching the number of the motor car, whereupon a man jumped out of the taxi and fired at the assailant and the man sitting in the motor car.

It is noteworthy that the attack was on a holiday here, and on a Sunday which is the morning.

A bulletin issued says that Lee Stack has four bullet wounds in the chest, hand and foot and is being treated at a hospital in Cairo. His aide, Captain Campbell, who is the chief of the staff in the arm and hand.

BRITISH INDIGNATION. London, Nov. 19. The attack on the British and the newspaper leaders here has created a profound indignation and has aroused a deep sentiment of sympathy for the British Government.

The Egyptian Government and Chamberlain and especially League of Nations are expected to be more fully responsible for the crime, writing to the British and Arab Governments.
