THE AMERICAN SYNDICATE.

Disputed signed upon this evening by the Chamber of Deputies of the Italian Chamber of Deputies.

Three years is a long period for a man to be in the position of a negotiator of including many changes, and the American Syndicate.

The main principle underlying the Italian Bill seems to be that it is a general rule that natives should be on an equal footing with foreigners in the Italian States.

The new Ordinance is in an effort to bring a matter to the Italian without prejudice to the provisions of the Italian Constitution.

Behold the bottle that holds Old Whisky!

WHEN a bottle contains whisky as old as Peter Dawson the sooner you get it into your glass the better for the blender and the better for you. For this reason "brambles and diamonds" have decided upon the face of the "P.D." bottles, which you may now notice "brambling with silver" and "dimpling with pleasure." Such expressions being natural to a bottle containing something that few have got but which all want.
