RADIATOR TEMPERATURE. THE PRICE IN S.A. Long Motor Services.

Factors having an influence. Conditions revealed. Frequent's touch.

Many motorists of experience now know that their radiator temperature is a factor which may have a serious influence on the life of their motor. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

The radiator temperature of a motor is a factor which may have a serious influence on the life of their motor. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

Conditions revealed. The radiator temperature of a motor is a factor which may have a serious influence on the life of their motor. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

Importance of air circulation. With regard to air temperature, we found that even on the hottest days there was no rising period of circulation of air over the radiator. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

The factor of humidity decreases radiator temperature. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

Paradoxical behaviour. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

During a recent journey westwards along the coast, between Mombasa and Malindi, we observed that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

NEW ZEALAND'S RECORD.

The world's longest motor transport car has been built in New Zealand, with a total length of 100 feet. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

A motor used to haul passenger cars between Dunedin and Waipara, passing through 100 miles of country and over all conditions of road for a distance of 100 miles. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

During the railroads strike in New Zealand, motor cars were used to haul passengers between Dunedin and Waipara, passing through 100 miles of country and over all conditions of road for a distance of 100 miles. It is a well known fact that the radiator temperature of a motor is a factor which may have a serious influence on the life of their motor.

SPECIAL VALUE IN Perambulators AND Folding Cars

THE "BUCCARY" is illustrated above, very deep roomy body with accommodation for two children sitting or one lying down. Splendidly comfortable, lung on 2" bumpers and finished in Khaki Grey or Black. Price, £350/- each.

THE "STAR" PERAMBULATOR. Special value in county carriages a really well sprung pair. Finished in Buff, Cream, Grey or Navy with a splendid dirt resisting petrol, accommodation as in "Buccary". This is undoubtedly the best value in town.

NAVY Price, £225/- each. BUFF OR GREY Price, £250/- each.

THE "BETHREENA" FOLDING BABY CARRIAGE.

All steel, English make, in fact the best of this class of car made. Its strong construction, roomy body and remarkably small compass when folded make it an ideal car for travelling purposes. Finished in Navy, Khaki, Black, Green or Grey. Price, £125/- each.

By A. H. NERUDA. PUBLISHED WEEKLY. THE CHIEF EDITOR: Mr. J. H. NERUDA. PUBLISHED BY THE SOUTH AFRICAN STANDARD, NAIROBI.

The Nairobi Chess Club meets on Wednesday at the National Club, 6th Avenue, at 8 p.m. It is hoped that many local players who had been prevented by English will now be able to take part in the weekly 1/2 Centurion. Members are asked to contribute to the club's maintenance and to take part in the competition. There is no entrance fee.
