THE NEWEST "Shell" Motor Spirit

Owing to the unprecedented demand for "Shell" Motor Spirit which has brought a shortage of our usual "Shell" tins, we are unavoidably compelled to market our Spirit in a Plain Topped Tin with Corrugated Sides. The Tins will bear a label with the words

"Shell" Motor Spirit Printed thereon in Red on a Yellow Background, and the Tins will be packed in the usual.

We regret this departure from our usual packing but we would impress on the Public that this is the only manner in which we can possibly keep the country supplied with our famous.
