GOVERNMENT HOUSE,

EAST AFRICA PROTECTORATE.

April 7th 1914.

No. 526.

Sir,

36690/12

With reference to the correspondence ending with my despatch No. 742 of the 22nd October, 1912, respecting the payment of instalments on account of the loan of £250,000, I have the honour to inform you that approximately £55,000 have been spent on the loan works in excess of the first instalment of £47,000.

2. In these circumstances I have the honour to ask that a further sum of £53,000 may be sanctioned making a total of £100,000 advanced.

3. I should be obliged if the amount in question could be paid to the Crown Agents at an early date.

I have the honour to be,

Sir,

Your humble, obedient servant,

H. Conway Bejice

GOVERNOR.

THE RIGHT HONOURABLE
LEWIS HARCOURT, P.C., M.P.,
SECRETARY OF STATE FOR THE COLONIES,
DOWNING STREET, LONDON, S.W.

supply scheme was held up - by labour
difficulties perhaps.

I think we should do well to call this
money up - we cannot dispense with
the loan altogether & the arrangement
is getting rather ancient.

? As proposed, saying that the interest
(3½%) + sinking fund (1%) will
have effect from the date of paying
over to C.A.
