Mr. God

If you want the CA. to consider him for
this appointment, CA. will have to be especially
told, see minutes on 8057/EAP. If Mr. Clark has
good reports from the army, I should be inclined
in view of 14886/EAP. to tell CA. to consider him
with others.

I do not understand this. It was
decided last to offer him re-employment & there
is no cause of his going away from any body
here in 1916 or 1917 or with any other.
(see minutes on 39875/16). I suppose we will
consider him but I don't think

In 1917, I had the honor to be informed you about a regarding Post abroad & at an interview I was granted was given prospect of such and asked to write an application, this I did.

Some afterwards I was appointed to Army and served until recently.

About end of January 1917, I received a letter, reference ^{59886/1917} of 17/1/17, from which I learned that my letter of application had gone missing & could not be found, as I was in the Army the matter has been in abeyance.

I have by this mail applied to your agents for letter for Post on Dept - American railway S.W., which is about to be constructed & I would be greatly obliged if you will permit the application to go through and may say I have spent some years in War Office on similar work. I have the honor to be
