As regards EAP we could see the
the annexed laws for perusal and return, but
I should prefer to tell him that he can call here
to see them in the library.

As regards GEA please see annexed papers
as to the Mining Law. But as far as I know
former German laws still prevail generally in
GEA. If this is the case we might tell Mr. Boyle
that the GEA is under revision?

Nov. 29 1909

Tell him as regards GEA that
he may see laws in Co. Library
any weekday between 11.00 & 1.00
(except Sat.) as regards GEA
~~the laws in the library~~ ~~under revision~~

Say that he may also see GEA
proclamations in the library -
but that Mining legislation is
under revision & that it is not likely
either that legislation will be introduced
or ~~for~~ any prospecting licenses
issued for some time.
