I beg to acknowledge receipt of your letter of the 21st inst. In regard to your business which quite understandably has a condition of cash and pay was conditional on my writing by the first available date after the 13th Nov. I quite believe in the option of writing either by the 13th inst or via Bank Africa as per letter 16895/1919 of the 7th inst was a privilege which would not affect the question of pay, especially as your letter contained no reference to conditions affecting pay. Under the circumstances I would ask whether I may be allowed to receive my annual pay via Bank Africa

Due to the recent refusal
of two leading Insurance Companies
to accept proposals for insurance
on my life, I should be glad if
I might be given the necessary
authority to be medically examined
by your medical advisors, with a
view to possible application for
disability allowance should his refusal
warrant it.
