The report in 21793 is tolerably <sup>short</sup> long, but  
the proceedings are very long, & partly illegible.  
Also we could hardly have them copied in the  
copy's Exp.

I would therefore ignore this for the present, when we  
communicate Lord (revised) decisions to Mr Silberrad.  
If he writes asking to see them, he might be  
1300 last he may come & peruse them here.

My Lord,

I have the honour  
to submit a copy of a letter  
written by Mr. Silberrad just  
before he left by the mail  
of the 29<sup>th</sup> ultimo, asking for  
a copy of the file on the  
charges made against him by  
Mr. Senesby Routledge.

I presume that what Mr.  
Silberrad really wants is a  
copy of the proceedings at the  
Enquiry held by Judge Barth  
at Nyeri, and of Judge Barth's  
report to which he has already  
had

had access.

3. As these documents have been sent to your Lordship in original, no copies having been retained here I would ask that Mr. Silberrad may be supplied with copies direct from the Colonial Office.

I have the honour to be with the highest respect,

My Lord,

Your Lordship's most obedient  
humble servant

Wm. Silberrad
