[UoN awarded for Implementation of M&E Curriculum](#)

"UoN is the only University in Africa that teaches project planning from certificate to PhD level. The University through the Faculty of Business and Management Science has been supporting the government in monitoring and evaluation of projects which is among the frameworks that the National Government is using to weigh development even within the counties," announced Prof. Charles Rambo.

[Kiswahili's Renewed Campaign by AU and UNESCO](#)

The Kiswahili language has grown in Africa and beyond. The language has an estimated 200million speakers globally.

Due to its growth, it has had a lot of international recognition. At the beginning of the year, African Union (AU) declared the language an official working language. In addition, in November, UNESCO declared 7th July as World Kiswahili Language Day.

SUPPORTING HOLISTIC & ACTIONABLE RESEARCH IN EDUCATION (SHARE)

- Cooperative agreement between USAID and the University of Notre Dame, implemented alongside partners in higher education (2020-2025)
- SHARE gathers, translates, and produces data and evidence that are accessible to inform decision making in global education.
- Guided by USAID's Learning Agendas, SHARE provides access to exceptional evaluation, research design, and research expertise to support USAID programs around the world.

Co-Creating for Change

The Faculty of Education at the University of Nairobi (UoN) hosted a webinar on Supporting Holistic & Actionable Research in Education (SHARE): Co-Creating for Change: Learning Becomes Service to Justice.
