Europe's largest manufacturers of office machines

olivetti

Specially designed for personal use, it is ideally suited for professional people and for the home, and at the same time it will do yeoman work in any office. Beautifully styled and soundly built, it will give trouble-free performance and turn out excellent work for very many years.

It combines all the features of a standard office typewriter

Easy to use, and with the most up-to-date improvements, the Olivetti Studio comes of a long line of office machines which have earned a world-wide reputation through over 40 years of experience and service to the public.
