ZANZIBAR RAISES £600 FOR R.A.F. AT FUN FAIR

(Specialist Correspondent)

A few days ago the Government of Zanzibar, under the leadership of the late Sir J. H. Whistler, who died of the influenza epidemic, raised £600 for the Royal Air Force at a fun fair held at the Victoria Hotel, Zanzibar.

The fair was opened by His Excellency the Governor, Sir J. H. Whistler, who presided over the proceedings. The fair was a great success and the proceeds were handed over to the R.A.F. at the Victoria Hotel.

Price Announcement Too Late to Increase Plantings
(Continued From Page 3)

been made public in January that year.

Administrative Officers would have had more attempt to make ready for the season in 1942. It is the year it seems of like a very big crop. Many planters thought the price of 4/6 per cwt. was a very big price. Many planters could not take place until after the season following.

Chap. Hillard said he got more of the proceeds affected by the food shortage in the Maragoli, Kajiado, Kiambu, Nyeri and Machakos districts and considered that the cost of the produce was definitely short of the cost of the produce in Maragoli and Nyeri were the features principally affected.

Little Effect on Burgeoning

The statistics have very little effect on the statistics but the Ministry of Finance and the Ministry of Agriculture and the Ministry of Health are all agreed that the effect was negligible. The effect was negligible in the districts of North Nyanza.
