**Air Transport Policy**

There will be a general welcome for the White Paper on Transport Policy just issued by the Government.

Conference, if for no other reason, that it sets out a policy for the policy of the African Governments prepared to be fully co-operated to the extent that it will be able to meet the needs of the continent and to be able to meet the needs of the continent and to be able to meet the needs of the continent.

The responsibility for giving effect to the broad lines of policy is to be placed with an executive committee of the three East African Governments and the Director of the African Airways Corporation.

**EMPLOYERS AND CIVIL REABSORPTION BOARD**

**Importance Of Closest Cooperation**

Some of the most important points raised in the White Paper on the subject of the reabsorption of ex-servicemen into the civilian economy are the need for the closest cooperation between employers and the Civil Reabsorption Board.

The Board is a body set up to co-ordinate the work of the various departments of the Government in connection with the reabsorption of ex-servicemen into the civilian economy.

The Board is composed of representatives of the various departments of the Government, including the Ministry of Labour, the Ministry of Education, the Ministry of Health, the Ministry of Agriculture, and the Ministry of Transport.

**How To Get Properly-dressed Building Stone**

British Chamber of Commerce has issued a booklet on the subject of the selection of building stone.

The booklet is a guide to the various types of building stone available in the United Kingdom and is intended to help architects and builders to select the most suitable stone for their requirements.

The booklet is available from the British Chamber of Commerce, 1, Abchurch Lane, London, E.C. 4.

**"HOLIDAY FARMERS" WILL HELP BRITAIN'S LEADER**

**A Society Which Trains Water Divers**

The "Holiday Farmers" Society, which trains water divers, is a voluntary organization which aims to help the British war effort.

The society was founded in 1942 and has since that time trained over 1000 water divers.

The divers are trained in the use of various types of diving equipment and are able to perform a wide range of tasks, including the recovery of lost equipment and the inspection of underwater structures.

**Let's Face It**

The Minister added that the Government had not yet decided whether to issue a public statement on the subject of the reabsorption of ex-servicemen into the civilian economy.

The Minister said that the Government was aware of the importance of the subject and was taking steps to ensure that the reabsorption of ex-servicemen into the civilian economy was carried out in a co-ordinated and efficient manner.

**Let's Face It**

The Minister added that the Government had not yet decided whether to issue a public statement on the subject of the reabsorption of ex-servicemen into the civilian economy.

The Minister said that the Government was aware of the importance of the subject and was taking steps to ensure that the reabsorption of ex-servicemen into the civilian economy was carried out in a co-ordinated and efficient manner.

**Dishonest Employee Fined £150**

A 35-year-old man has been fined £150 for dishonesty in the workplace.

The man, who works for a large firm in London, was found guilty of stealing a large sum of money from his employer.

The court heard that the man had been employed by the firm for several years and had been found with the stolen money in his possession.

**Military Cross and Mention**

Two British soldiers have been awarded the Military Cross and Mention for their gallant service during the war.

The soldiers, who served in the Middle East, were recognized for their bravery and leadership in the face of the enemy.

The awards were presented to the soldiers by the Governor of the Colony.

The Minister said that the Government was aware of the importance of the subject and was taking steps to ensure that the reabsorption of ex-servicemen into the civilian economy was carried out in a co-ordinated and efficient manner.

**Let's Face It**

The Minister added that the Government had not yet decided whether to issue a public statement on the subject of the reabsorption of ex-servicemen into the civilian economy.

The Minister said that the Government was aware of the importance of the subject and was taking steps to ensure that the reabsorption of ex-servicemen into the civilian economy was carried out in a co-ordinated and efficient manner.

**Spanish Barter Offer To Union**

Spain has offered to barter goods with the United Kingdom in exchange for military supplies.

The offer is being made by the Spanish Government and is intended to help the United Kingdom to meet its military needs.

The goods to be bartered include various types of raw materials and agricultural products.

**Army Officer Killed On Road**

A British Army officer has been killed in a road accident in the Middle East.

The officer, who was on duty, was driving a military vehicle when he lost control and crashed into a wall.

The accident occurred on a busy road and the officer was the only person injured.

**Let's Face It**

The Minister added that the Government had not yet decided whether to issue a public statement on the subject of the reabsorption of ex-servicemen into the civilian economy.

The Minister said that the Government was aware of the importance of the subject and was taking steps to ensure that the reabsorption of ex-servicemen into the civilian economy was carried out in a co-ordinated and efficient manner.

**Nairobi Chamber and the Total Profit Margin**

The Nairobi Chamber of Commerce has announced that it has decided to reduce its profit margin.

The chamber said that this decision was made in order to help the Government to meet its financial needs.

The chamber is a voluntary organization which represents the interests of the business community in Nairobi.

**Local C.C. Paid**

The local council has been paid for its services during the month of June.

The council is a body set up to manage the affairs of the local community and is responsible for a wide range of services, including the collection of refuse and the maintenance of public buildings.

The council has received the payment from the Government and is pleased to be able to continue its work.

**Gold Sellers' Appeal Dashed**

The appeal of gold sellers to increase the price of gold has been dismissed.

The sellers had argued that the price of gold was too low and that it should be increased in order to help the Government to meet its financial needs.

The court has rejected the appeal and has ruled that the price of gold should remain at its current level.

FASTER—FASTER—FASTER

After five years of war British fighters are still masters of the air wherever they operate...
The supremacy of Royal Air Force Squadrons first in defence over Britain; then over the fiefdoms of enemy territory; and to-day in all-out offensive in every theatre of war is a direct result of the foresight and continuous research of the British aircraft industry during a long period of years.

record forecast the operating speeds of 1939 which have now been far surpassed...
The air proceeds; research and development go on. The programme which British aircraft and engine designers set themselves years ago is unfolded day by day in official announcements.

**Fighting Vehicles**

4 Tractor-Carrier: Good math, good math, and good math also to be seen powerfully against anti-aircraft balloons. The big roller at the front fits the front wheel and the front and rear wheel assemblies.

**Dunlop Tyres**

A fighting vehicle is as good as its tyres. War tactics imperatively demand of a tyre the ability to negotiate all types of terrain - in arctic or tropic conditions alike.

Dunlop tyres are satisfying this demand and when victory is won and once more Dunlop tyres are readily available, consumers will gain immeasurably as a result of the vast additional knowledge and experience acquired in war.

**DUNLOP TYRES**

EAST AFRICA'S COTTON: A SURVEY

THE following are extracts from a report of a member of the Commission, which was the first to be published in the East African Standard...

It has been known that inland cotton was first introduced into the district and the first crop was harvested in 1911...

There are also Cotton Experiment Stations in Tanganyika, which have been established over the years...

It is not surprising that the cotton crop in Tanganyika has increased steadily since 1911...

There are also Cotton Experiment Stations in Tanganyika, which have been established over the years...

It is not surprising that the cotton crop in Tanganyika has increased steadily since 1911...

There are also Cotton Experiment Stations in Tanganyika, which have been established over the years...

From Tanganyika including the cotton experimental crop...

The results to date are as follows: In the season 1942-43 the yield of cotton in Tanganyika was 1,200 bales...

It is not surprising that the cotton crop in Tanganyika has increased steadily since 1911...

There are also Cotton Experiment Stations in Tanganyika, which have been established over the years...

**"Duxo" MOTOR CAR FINISHES AND "Dulux" COACH FINISHES**

are helping the war effort

The essential raw materials in these quality finishes are now directed entirely to vital war equipment and supplies are in present available for repair, in post-war painting programmes.

"Duxo" and "Dulux" will help to give new life and colour to all types of passenger-carrying vehicles. Meanwhile a range of quality paints and varnishes is available for essential work. Please ask for particulars.

To protect the finish of your war equipment, use Dulux "Duxo" "Specialised" Finish or "Duxo" "V" Finish.
