

High Tribute to Quality of East African Troops

THEY ENJOY KILLING JAPANESE

(From our War Correspondent George Kinnear)
(Copyright)

Burma Press. The general officer of the 11th East African Division has written a letter to the effect that he is very proud of the fact that he is able to report to his superiors that the troops of the 11th East African Division are doing very well in the field. He says that the troops are very well equipped and are very well trained. He says that the troops are very well motivated and are very well organized. He says that the troops are very well led and are very well supported. He says that the troops are very well equipped and are very well trained. He says that the troops are very well motivated and are very well organized. He says that the troops are very well led and are very well supported.

When the 11th East African Division was first formed, it was a very small unit. It was made up of a few hundred men. But it has grown very rapidly. It now has over 10,000 men. It is one of the largest and most powerful divisions in the British Army. It is a very well-trained and well-equipped division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division. It is a very well-equipped and well-trained division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division.

What you see in the picture is a very good example of the quality of the troops of the 11th East African Division. The troops are very well equipped and are very well trained. They are very well motivated and are very well organized. They are very well led and are very well supported. They are very well equipped and are very well trained. They are very well motivated and are very well organized. They are very well led and are very well supported.

The 11th East African Division is a very well-trained and well-equipped division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division. It is a very well-equipped and well-trained division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division.

General Order of the Day. The 11th East African Division is a very well-trained and well-equipped division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division. It is a very well-equipped and well-trained division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division.

The Supreme Commander, Admiral Lord Louis Mountbatten, is seen here talking to East African troops, who are commencing training in Ceylon.

Heroes Of Jambo Hill

The immediate area of a Military Camp and two Military Hospitals in a new Order of the Day. The 11th East African Division is a very well-trained and well-equipped division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division. It is a very well-equipped and well-trained division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division.

What you see in the picture is a very good example of the quality of the troops of the 11th East African Division. The troops are very well equipped and are very well trained. They are very well motivated and are very well organized. They are very well led and are very well supported. They are very well equipped and are very well trained. They are very well motivated and are very well organized. They are very well led and are very well supported.

The 11th East African Division is a very well-trained and well-equipped division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division. It is a very well-equipped and well-trained division. It is a very well-motivated and well-organized division. It is a very well-led and well-supported division.

General Order of the Day. The 11th East African Division is a very well-trained and well-equipped division. It is a very well-motivated and well-organized division. Commercial Men On Need For Firm Land Tenure Policy

It was the feeling of the commercial men in the East African colonies that the Government should have a firm land tenure policy. This was the main message of a report issued by the East African Commercial Men's Association in a report to the Government. The report stated that the commercial men in the East African colonies were in a state of confusion as to the Government's land tenure policy. They felt that the Government should have a firm land tenure policy which would give them the confidence to invest in the colonies. The report also stated that the commercial men in the East African colonies were in a state of confusion as to the Government's land tenure policy. They felt that the Government should have a firm land tenure policy which would give them the confidence to invest in the colonies.

UNION NEWS LETTER

Planning For Demobilisation Next Year

Parliamentary Announcement

As a result of the Triennial United (Government) Party in Johannesburg on October 19, 1944, the Government is now planning to demobilise the forces of the Union in 1945. The Minister of Defence and Air, Mr. J. G. van der Stoep, announced that the Government is now planning to demobilise the forces of the Union in 1945. The Minister of Defence and Air, Mr. J. G. van der Stoep, announced that the Government is now planning to demobilise the forces of the Union in 1945.

Referring to Dr. Milvan, leader of the National Party, Mr. van der Stoep said that the Government is now planning to demobilise the forces of the Union in 1945. The Minister of Defence and Air, Mr. J. G. van der Stoep, announced that the Government is now planning to demobilise the forces of the Union in 1945.

Increasing interest in being taken by Japanese soldiers in East Africa. The Minister of Defence and Air, Mr. J. G. van der Stoep, announced that the Government is now planning to demobilise the forces of the Union in 1945.

Political conditions continue, but it is not clear how far the Government is now planning to demobilise the forces of the Union in 1945. The Minister of Defence and Air, Mr. J. G. van der Stoep, announced that the Government is now planning to demobilise the forces of the Union in 1945.

- (8) 110 acres of sisal plantation at Freshford.
- (9) 110 acres of sisal plantation at Freshford.
- (10) 110 acres of sisal plantation at Freshford.

AUSTRALIA'S PART IN THE WAR

Mr. Curtin speaking at Perth gave an impressive review of Australia's part in the war. He said that Australia's part in the war was not only in the front lines but also in the rear. He mentioned the contributions of Australian soldiers, sailors, and airmen, as well as the support provided by the Australian people through their industry and agriculture.

Settlers' Interest in Mobile Propaganda Unit

Increasing interest in being taken by Japanese soldiers in East Africa. The Minister of Defence and Air, Mr. J. G. van der Stoep, announced that the Government is now planning to demobilise the forces of the Union in 1945.

24 Years' Struggle on Trade Licences

What the President intended by his speech on the 24th anniversary of the signing of the Balfour Declaration. He mentioned the long struggle for trade licenses and the impact it had on the South African economy. He also mentioned the contributions of the South African people during the war.

Nigerian Bank Visits Its Soldier Subjects in Burma

The Nigerian Bank has sent a party to visit its soldier subjects in Burma. The party will provide financial assistance and support to the soldiers and their families. This is a significant gesture of support from the Nigerian government during the war.

THE ANNUAL DEBATE ON ROADS Why Proper Progress Is Not Being Made

A speaker, large scale plan for the roads in the Union. He mentioned the need for better roads to support the war effort and the economy. He also mentioned the contributions of the South African people during the war.

ASSOCIATED CHAMBERS

Mr. Whaley, speaker of the annual debate on roads. He mentioned the need for better roads to support the war effort and the economy. He also mentioned the contributions of the South African people during the war.

Not Far From

WESTERN FRONT: BRITISH IN OUTSKIRTS OF HERTOGENBOSCH

Anglo-Canadian Thrust For Rosendaal Progressing

October 24. The British 2nd Army has advanced to the outskirts of Hertogenbosch, a town of 10,000 inhabitants, in the Netherlands. The advance is being made by the Anglo-Canadian forces, which are pushing forward from the line near Rosendaal. The British 2nd Army is now in a position to threaten the town of Hertogenbosch, which is a strategic point on the Dutch frontier. The advance is being made in a series of stages, and the British 2nd Army is now in a position to threaten the town of Hertogenbosch, which is a strategic point on the Dutch frontier.

Building Control Test Cases

Authorities will hold their breath for the test cases which will be decided by the Building Control Commission.

In its decision, the Commission had said that it had the words "control" and "regulate" in the statute meant that a person would not be concerned.

As far as Mr. Terborch was concerned, the Commission had held that it was not concerned with the question of whether or not a person would be concerned.

HOME GUARDS ARE ANNOYED

The Home Guard is annoyed by the fact that the Commission has held that it is not concerned with the question of whether or not a person would be concerned.

War Risks Insurance

A disastrous explosion in Bombay has raised the question of the extent of a re-valuation on war risks insurance to be effected by the Insurance Association of Commercial, Industrial and Marine Insurance Companies in India.

The East African Insurance Association has been asked to consider the possibility of a re-valuation of the rates of insurance on war risks in the event of a further increase in the cost of re-insurance.

The Association has been asked to consider the possibility of a re-valuation of the rates of insurance on war risks in the event of a further increase in the cost of re-insurance.

District Councils And Trunk Roads

The Minister of Kenya District Councils in regard to responsibility for the maintenance of trunk roads in the country has been asked to consider the possibility of a re-valuation of the rates of insurance on war risks in the event of a further increase in the cost of re-insurance.

The Minister has been asked to consider the possibility of a re-valuation of the rates of insurance on war risks in the event of a further increase in the cost of re-insurance.

Air Attack on Shipping off French Coast

Five bombs hit out from the guns of Allied ships equipped off the coast of France during an attack by Nazi planes. A troop of soldiers can be seen taking the ship, apparently from a submarine base.

Sir Edward Grigg On East African "Essentials"

At a luncheon given by the London Chamber of Commerce and Industry in London, Sir Edward Grigg, Secretary of State for the Colonies, has been asked to comment on the essentials of East African development.

Sir Edward has been asked to comment on the essentials of East African development, particularly in the areas of agriculture, industry, and infrastructure.

Dare you ask yourself this question?

Am I an American Major, who had gone through several island campaigns against the Japs, but addressing the people of his home town. In his blunt American fashion, he said to his audience:

"You should ask yourself every night:

"What have I done today that a soldier should die for me?"

It needs no further comment, but...

how could you ask it?

Hertogenbosch Now In British Hands

PORTRAIT OF SURRENDER

TILBURG THE NEXT OBJECTIVE

October 25. British forces in Western Europe have been ordered to attack the German town of Hertogenbosch, which is the last of a line of fortifications along the Rhine. The town is situated on the left bank of the river, and is a strategic point. It is the last of a line of fortifications along the Rhine. The town is situated on the left bank of the river, and is a strategic point. It is the last of a line of fortifications along the Rhine. The town is situated on the left bank of the river, and is a strategic point.

Portrait of a soldier in uniform, likely a British soldier, standing in a field.

Jap Navy "Defeated, Seriously Damaged & Routed"

PROBABLY ONE HALF OF ENEMY'S FLEET PUT OUT OF ACTION

Admiral Halsey. Killed 10,000 Japs in 6 Months

PHILADELPHIA, October 26.—The Japanese navy has suffered a crushing blow, according to a report received from the Commander of the United States Pacific Fleet here today. The report said that the Japanese navy had been seriously damaged and routed in a series of battles in the Philippine Sea.

Admiral Halsey, commander of the United States Pacific Fleet, Admiral King said he thought the Japanese navy had been "seriously damaged and routed" in the recent operations and that he knew the action was still going on.

He had been in actual ship-to-ship fighting so far had been between ships and aircraft on both sides. The Japanese fleet was reported to be in the Philippine Sea, and Admiral Halsey said he thought it was probable that the Japanese navy had been "seriously damaged and routed" in the recent operations and that he knew the action was still going on.

40,000 Wounded By Air

It is believed that 40,000 German soldiers were wounded by air attacks in the last few days. The report said that the German army had suffered a crushing blow in the recent operations and that he knew the action was still going on.

OPERATION IN AGRICULTURE

To the Editor, "E.A. Standard":
The Hon. Mr. W. C. Benson, Minister of Agriculture, has announced that the Government will be taking steps to ensure that the agricultural sector is not neglected during the war. This is a most laudable intention, and it is to be hoped that the Government will be able to carry out its policy in a most effective manner.

It is a well-known fact that the agricultural sector is the backbone of the East African economy. It is therefore of the utmost importance that the Government should take steps to ensure that the agricultural sector is not neglected during the war. This is a most laudable intention, and it is to be hoped that the Government will be able to carry out its policy in a most effective manner.

The Hon. Mr. W. C. Benson, Minister of Agriculture, has announced that the Government will be taking steps to ensure that the agricultural sector is not neglected during the war. This is a most laudable intention, and it is to be hoped that the Government will be able to carry out its policy in a most effective manner.

The Hon. Mr. W. C. Benson, Minister of Agriculture, has announced that the Government will be taking steps to ensure that the agricultural sector is not neglected during the war. This is a most laudable intention, and it is to be hoped that the Government will be able to carry out its policy in a most effective manner.

AFRICAN BATHING

To the Editor, "E.A. Standard":
I have been reading with interest the article in your issue of the 10th inst. regarding the bathing habits of the African people. It is a most interesting article, and it is to be hoped that the Government will be able to carry out its policy in a most effective manner.

The Hon. Mr. W. C. Benson, Minister of Agriculture, has announced that the Government will be taking steps to ensure that the agricultural sector is not neglected during the war. This is a most laudable intention, and it is to be hoped that the Government will be able to carry out its policy in a most effective manner.

The most effective remedy for all thermo-gene complaints. It is a most laudable intention, and it is to be hoped that the Government will be able to carry out its policy in a most effective manner.

NOTICE
The Hon. Mr. W. C. Benson, Minister of Agriculture, has announced that the Government will be taking steps to ensure that the agricultural sector is not neglected during the war. This is a most laudable intention, and it is to be hoped that the Government will be able to carry out its policy in a most effective manner.

MANAGEMENT

There are many reasons for giving the services of a management consultant a high priority in the 70's. In order to be successful in the 70's, a business must be managed by competent persons, able to make decisions on the basis of accurate economic conditions. This is one of the main reasons why Unit Certificates have a high priority in the 70's.

It is the duty of the Directors of Unit Certificates to ensure that the services of a management consultant are available to the business. This is one of the main reasons why Unit Certificates have a high priority in the 70's.

Ellis Lambert Wedding

A very interesting ceremony was witnessed at the wedding of Miss Elizabeth Lambert to Mr. J. A. Lambert, which took place at the residence of the bride's parents, Mr. and Mrs. W. T. Lambert, on Saturday, October 21, 1944. The ceremony was officiated by the Rev. Canon G. H. Lambert, who was assisted by the Rev. Canon G. H. Lambert, who was assisted by the Rev. Canon G. H. Lambert. The bride was accompanied by her father, Mr. W. T. Lambert, and the groom by his father, Mr. J. A. Lambert. The ceremony was a most interesting and successful one, and was attended by a large number of guests.

Back From Holiday

Mr. and Mrs. W. T. Lambert have returned from their holiday in South Africa.

Woman Noelist Wins £30,000 Prize

Miss Elizabeth Lambert, 44-year-old woman novelist, who has written a number of successful novels, has won a prize of £30,000 for her novel "The Green Dolphin" in the 1944 competition of the British Book Guild.

When Victory Comes

The standard London Correspondent writes: "When victory comes, the first thing that will be done is to give the British people a holiday of 100 days."

Cakes Made With Simsim

A correspondent writes: "I have used simsim oil for some time in making cakes, and find it very useful. It is a very good substitute for butter, and is much cheaper than butter."

Mr. and Mrs. J. A. Lambert with their children, standing in front of their home in the East African Standard.

FOOD FACTS

Remember that on page 18 of your issue for October 17, 1944, we mentioned that the British people should eat more of the following foods: Apples, Bananas, Cakes, and Cream. These are all very good foods, and should be eaten in moderation.

"VICTORY" HAIR-DO

A new "Victory" London hair-do is being designed for the "war bride" style. It is a simple, practical, and easy to wear. It is made of straight hair, and is very popular with the women of the armed forces.

Mr. and Mrs. J. A. Lambert with their children, standing in front of their home in the East African Standard.

Excuse me Inner Cleanliness comes first!

The simple health rule of inner cleanliness with Andrews will help you to feel strong and feel better. Andrews is a natural cleanser, and is very effective in removing all the dirt and grime from your system.

Andrews Liver Salt is a natural cleanser, and is very effective in removing all the dirt and grime from your system. It is made from the finest quality of liver salt, and is very pure and clean.

Day-long freshness...

Keeping cool is largely a matter of keeping the pores open and unobstructed. Wright's penetrates right into the pores with a fragrant refreshing lotion that is cooling, cleansing, invigorating. It not only revitalises the skin; it encourages it to wear off stray grains and infections too. (But use Wright's carefully—there's a lot of it about now.)

LABOUR DIFFICULTIES AT SOTIK

CONTRACTORS

A report received from Sotik in the North Province, that the contractors who were engaged to build the Sotik to the Coast by Mr. Casson, the Government, are in a state of extreme dissatisfaction with the Government. The contractors are of the opinion that the Government is not doing its duty in the matter of the labour situation at Sotik.

Extensive Work Of Soil Conservation Service

A total of 128 acres protected by brush cover was surveyed in the Taita District from a road to the coast. The survey was made by the Soil Conservation Service. It was found that the soil is very fertile and that the brush cover is of great value. The contractors are of the opinion that the Government is not doing its duty in the matter of the labour situation at Sotik.

This is her uniform

A British mother says:

"BEFORE the war I had a uniform for my daughter. It was a simple, practical uniform that was suitable for school and for work. It was made of a strong, durable material and it was easy to care for. It was a uniform that was well-made and well-fitting. It was a uniform that was a credit to the manufacturer. It was a uniform that was a credit to the country. It was a uniform that was a credit to the world."

MORE BLOWS IMMINENT AGAINST JAPANESE
U.S. Navy Secretary Forecasts Grim Future For Enemy

October 27. (AP)—Navy Secretary Frank Knox says the United States will continue to know for some time to come that Japan has no chance of winning the war against the United States Navy. He said that the United States Navy has a "great advantage" over the Japanese Navy in every respect.

100 Million Leaflets in 12 Months
 October 27. (AP)—The United States Navy has ordered the printing of 100 million leaflets in 12 months. The leaflets are to be distributed in the Pacific Ocean and are to contain information about the United States Navy and the progress of the war.

October 27. (AP)—The United States Navy has ordered the printing of 100 million leaflets in 12 months. The leaflets are to be distributed in the Pacific Ocean and are to contain information about the United States Navy and the progress of the war.

Norway Takes Up The Sword Again
 October 27. (AP)—The Norwegian Government has announced that it has decided to take up the sword again. The government has declared that it will fight for the liberation of Norway from German occupation.

ENEMY REARGUARDS HARASSED
 October 27. (AP)—The British Army has reported that it has harassed enemy rearguards in the North African desert. The British forces have been successful in cutting off the enemy's supply lines and have inflicted heavy losses on the enemy.

LATE NEWS IMPRESSED BY SOUTH AFRICA
 October 27. (AP)—The British Government has announced that it has been impressed by the news from South Africa. The government has expressed its appreciation for the support and assistance given by the South African Government and people during the war.

Embassy's Belief
 October 27. (AP)—The British Embassy in London has expressed its belief that the German Government will eventually accept the terms of the Four Big Powers. The embassy has stated that it believes the German Government will eventually recognize the reality of the situation and will accept the terms of the Four Big Powers.

Moscow Talks Have Proved "Highly Satisfactory"
 Yet Another Nazi atrocity

MR. CHURCHILL'S REVIEW TO HOUSE OF COMMONS

October 27. (AP)—Mr. Churchill's review to the House of Commons on the Moscow talks was highly satisfactory. He stated that the talks had been successful and that the British Government had achieved its objectives. He also mentioned that the German Government had committed another atrocity.

America Has 23 Battleships Now

October 27. (AP)—The United States Navy has announced that it now has 23 battleships. The navy has also announced that it has ordered the construction of 10 more battleships. The navy has stated that the new battleships will be more powerful and more modern than the old ones.

October 27. (AP)—The United States Navy has announced that it now has 23 battleships. The navy has also announced that it has ordered the construction of 10 more battleships. The navy has stated that the new battleships will be more powerful and more modern than the old ones.

Dad's Old Wives to British Farmers
 October 27. (AP)—The British Government has announced that it will give British farmers a "dad's old wives" allowance. The allowance is to be given to farmers who are over 60 years of age and who have been married for at least 20 years.

Will Be Prohibited With Radio Sets
 October 27. (AP)—The British Government has announced that it will prohibit the use of radio sets in certain areas. The government has stated that it wants to prevent the spread of rumors and propaganda through the radio.

Industrial Future Of Abyssinia
 October 27. (AP)—The British Government has announced that it will support the industrial development of Abyssinia. The government has stated that it wants to help the people of Abyssinia to build up their country and to improve their standard of living.

Political Disaffection Among U-Boat Crews
 October 27. (AP)—The British Intelligence Service has reported that there is a growing feeling of political disaffection among U-boat crews. The intelligence service has stated that many of the U-boat crews are becoming disillusioned with the German Government and its policies.

ALLIED SEABORNE LANDING ON SCHELDT ISLAND
 Germans Now Threatened From Two Sides

WESTERN FRONT

October 27. (AP)—The Allied forces have landed on Scheldt Island. The landing was successful and the Allied forces are now threatening the Germans from two sides. The Germans are in a difficult position and are being attacked from both the sea and the land.

RUSSIANS CAPTURE IMPORTANT CZECH TOWN

October 27. (AP)—The Russian forces have captured an important Czech town. The town was a strategic location and its capture is a significant victory for the Russians. The Russian forces have also captured a large amount of military equipment and supplies.

Norway's Thanks

October 27. (AP)—The Norwegian Government has expressed its thanks to the British and American forces for their support and assistance during the war. The government has stated that it is grateful for the help that has been given and that it will continue to fight for the liberation of Norway.

Bitter Fighting In Burma

October 27. (AP)—The fighting in Burma is becoming increasingly bitter. The Japanese forces are making significant gains and the Allied forces are struggling to hold their positions. The fighting is expected to continue for some time longer.

LESS THAN A MILE FROM Mr. Churchill Thinks War With Germany May End in Spring

What Sweden Thinks Of Germany

THE MAAS Raging Typhoon Curtails Progress On Leyte

24,000 JAP CASUALTIES IN 10 DAYS

Pushed Back In Hungary

Defeat Of Japan Eighteen Months Later

October 31.—The Swedish Government has today announced that it has decided to remain neutral in the present war. The Swedish Government has also announced that it will not supply arms to either side of the conflict.

October 31.—The Western Allies have today announced that they are now within one mile of the German front in the Maas valley. The Allies have also announced that they are now within one mile of the German front in the Ardennes region.

October 31.—The Japanese have today announced that they have suffered 24,000 casualties in the ten days since the start of the Leyte campaign. The Japanese have also announced that they have lost 10,000 prisoners.

October 31.—The German forces have today announced that they have been pushed back in Hungary. The German forces have also announced that they have lost 10,000 prisoners.

October 31.—The Allies have today announced that they are now within one mile of the German front in the Ardennes region. The Allies have also announced that they are now within one mile of the German front in the Maas valley.

Scale in Miles:
Borders/Canals
The map shows the front lines in the Maas valley and the Ardennes region. It also shows the positions of the German and Allied forces.

CORRESPONDENCE

A SCHOOL SITE

To the Editor:—I am pleased to see the article in the Standard of the 12th inst. regarding the school site at Kariakoo. The site of the Government primary school at Kariakoo is a very valuable one. It is situated in a very good position and is well served by public transport. It is a pity that the Government has not yet decided to build a school on this site. I am sure that the Government will do so in the near future. I am sure that the Government will do so in the near future.

REMOVAL OF DESS

To the Editor:—"A. S. Mubanga" writes in the Standard of the 12th inst. regarding the removal of the Dess from the Government. I am sure that the Government will do so in the near future. I am sure that the Government will do so in the near future.

POLITICAL OUTLOOK

To the Editor:—"A. S. Mubanga" writes in the Standard of the 12th inst. regarding the political outlook in Kenya. I am sure that the Government will do so in the near future. I am sure that the Government will do so in the near future.

that must have existed in the very early days of the settlement. It is a pity that the Government has not yet decided to build a school on this site. I am sure that the Government will do so in the near future. I am sure that the Government will do so in the near future.
