MONEY IS RAISED IN OTHER COUNTRIES

As the last session of the Convention of the Kenya Farmers' Association has just closed, it is interesting to note that the Government has decided to raise the tax on motor vehicles in order to meet the cost of maintaining the roads. This is a very important matter, as the roads are the life-line of the country, and it is essential that they should be kept in good order. The Farm that sits on the Safety Valve of the Rift Valley

EDITH.

[By W. S. [Name]]

It is a difficult thought to grasp that the Government of Kenya has decided to buy the farm that sits on the safety valve of the Rift Valley. The farm is situated in the Rift Valley and is one of the most fertile in the country. It is a large farm and is owned by a private individual. The Government has decided to buy it for the purpose of establishing a new settlement in the Rift Valley. This is a very important decision and it will have a great effect on the future of the Rift Valley. The farm is situated in the Rift Valley and is one of the most fertile in the country. Dunlop Cords in 1923

A Selection from an impressive List of Accessories.

Tourist Trolley Car Races, 1922.

2 1/2 litre Class, 1st, 2nd, 3rd. Scottish Six Days' Trials. Heavy Good Medal, Every Driver Medal and the only Team Prize.

Double Trolley Heavy Record 25 1/2 mph. Webster Car. August 28th and 29th. 1000 miles average speed.

17 1/2 mile average speed 171.72 mph.

8.4 C.M.C. miles officially. Unobserved Reliability Trial. Veranostr-Bidder. The original Dunlop cords, which won the trial in second position.

French Grand Prix des Volantiers. (Le Mans, Cahen, September 19th.) 100 cc. Class, 1st, 2nd, 3rd 4th.

100 cc. Class, 1st, 2nd, 3rd, 4th. 50 cc. Class, 1st.

SO wonderfully has the Dunlop Cord Tyre justified its introduction that Dunlop Tyres of the future will all be of the multiply-cord type.

The primary feature of the new programme is the introduction of a Beaded Edge tyre carrying a tread of the same design that has been so successfully associated with the Straight Side type of tyre.

STINGS OF SUICIDE
THE FURY FEELS OF MR. BERNARD BAKER.
A CONTROVERSY.

[From Our Own Correspondent]
London, November 25.
There is quite an excitement in the recovery room as to whether the attempt to commit suicide and falling into the water from a boat in connection with an Appeal, signed by a large number of well-known people, in the denunciation of Mr. Bernard Baker, Headmaster of Marlborough School, who had attempted suicide with his brother-in-law, was a case covered by the Law, and if so, whether the Law ought to be altered to prevent such a case from occurring. One thing is certain, that the proper way of dealing with such a case is to hold on their guns through with it. The fact is that the proper way of dealing with such a case is to hold on their guns through with it. The fact is that the proper way of dealing with such a case is to hold on their guns through with it.

QUEER RISKS
RETIREMENT OF THE FATHER OF "LETTIE"
THE DISAPPEARING BOAT.

[From Our Own Correspondent]
London, Nov. 25.
A singularly queer case is being reported from the East. It is a case of a man who has retired from the service of the Government and is now living in a small cottage in the suburbs of London. He is a man of about 60 years of age and is well known in the neighbourhood. He is a man of about 60 years of age and is well known in the neighbourhood.

As a matter of fact the sum of £100,000 was being paid over to the Government by the Government of the East African Standard.

Payment of £100,000.
It is stated that the sum of £100,000 was being paid over to the Government by the Government of the East African Standard.
