DURING 1939 we opened 25 NEW BRANCHES in GREAT BRITAIN.

We now have in GREAT BRITAIN 1210 BRANCHES.

We employ nearly 20,000 Workers.

During the first four calendar months of this year our exports of DRUGS and MEDICINES were more than double those of the corresponding period of last year-thanks to our Navy-which shows that people abroad, like people at Home, know that to buy "BOOTS" is to buy the best.

or a breary day or the talk of
friends or old albums of photographs tocched up by a water.
