NAIROBI OBSERVANCE

IN KENYA'S CAPITAL

KING GEORGE VI LED ALL HIS SUBJECTS YESTERDAY IN THE CEREMONY OF REMEMBRANCE THAT SETS ARMISTICE DAY, NOVEMBER 11, APART FROM EVERY OTHER DAY IN THE BRITISH CALENDAR. HIS MAJESTY TOOK PART IN THE CEREMONY IN THE HEART OF HIS EMPIRE, AND IN EVERY PART OF IT HIS PEOPLE HELD THEIR OWN CELEBRATIONS.

The only throughout the Empire was Armistice Day remembered. Primes had led celebrations, some of a big ceremony at the Arc de Triomphe, where is the tomb of unknown Warrior, while in America November 11 was declared a public holiday for the first time since 1918, and all traffic in New York was stopped for one minute.

Kenya's remembrance was headed by the ceremony in which His Excellency the Governor, Sir Marshall Sir Robert Brooke-Pollock, participated in Nairobi, and other ceremonies were held up and down the Colony and Protectorate.

WORLD DISGUST AT NAZI VIOLENCE

German Press Threats Of Worse To Come

WORLD INDIGNATION HAS BEEN AROUSED BY THE ORGY OF DESTRUCTION THAT TOOK PLACE ON THURSDAY AT THE EXPENSE OF JEWS THROUGHOUT GERMANY. BRITISH NEWSPAPERS SUGGEST THAT THE STATE OF GERMAN PEOPLE MUST SHOW BRITAIN'S SHARE AND PITY. A FRENCH COMMENT DECLARES THAT THE OUTRAGES WERE DELIBERATELY ORGANISED. A NEW YORK NEWSPAPER SAYS THAT THE OUTRAGES CAN CAUSE NOTHING BUT DISGUST AMONG CIVILIZED MEN.

Dr. Goebbels, the Minister of Propaganda, whose department has assumed responsibility for the demonstrations, had a conference with foreign press representatives yesterday, and denied that they were organised. Further action against the Jews would be taken by means of legislation.

THE NAIROBI CEREMONY

The Nairobi ceremony was held at the Cenotaph in Delovane Avenue. The Governor, Sir Marshall Sir Robert Brooke-Pollock, presided. The ceremony was attended by a large number of officials and members of the public. The Governor made a speech during the ceremony, in which he expressed his sympathy for the victims of the war and his confidence in the future of the British Empire. The ceremony was a solemn and impressive occasion, and it was well attended.

EVALUATION PLAN DURING WAR

No Compulsion Except In Special Cases

The report of the Committee on the Evaluation of the Civil Population in the event of war issued by the recently, together with a memorandum by Sir Samuel Hoare, as Home Secretary.

Publication of the Report was delayed by the recent crisis, during which some of its recommendations were put into force.

It is noted that evaluation should be compulsory except in the case of military or other special reserves, but the Committee took it as a "rough working basis" that a third of the population would have to be evacuated from areas likely to be subjected to intense bombing.

Standard's Conclusion
The Home Secretary states in his introduction to the report that the Government has accepted the principle of the evacuation of civilians during the war, and in particular expresses its concurrence in the following principle:

It is as far as it may be possible to make a survey of suitable areas to require people to leave their homes and to be evacuated to the evacuation areas. It is also possible to make a survey of suitable areas to require people to leave their homes and to be evacuated to the evacuation areas. It is also possible to make a survey of suitable areas to require people to leave their homes and to be evacuated to the evacuation areas.

Home Secretary's Views
Sir Samuel Hoare says in "Action in the event of a general evacuation of civilians during the war," that the Government is preparing in detail arrangements for the evacuation of civilians during the war, and that it is possible to make a survey of suitable areas to require people to leave their homes and to be evacuated to the evacuation areas.

Local Schemes
The Committee states that an ideal scheme for the evacuation of civilians during the war would be to have a national evacuation scheme, which would be based on the principle of the evacuation of civilians during the war.

ALL GERMAN JEWS SUFFER FOR PARIS MURDER

Collective Fine Of £80,000,000 Inflicted REIGN OF TERROR

A FINE OF 80,000,000 MARKS, WHICH WORKS OUT AT ABOUT 612 POUNDS PER HEAD, HAS BEEN IMPOSED BY THE GERMAN GOVERNMENT ON THE JEWISH COMMUNITY IN GERMANY. IT IS DESCRIBED AS "PUNISHMENT FOR THE ASSASSINATION BY A POLISH JEW IN PARIS, OF A GERMAN EMBASSY OFFICIAL.

This fine is only one of many severe blows at Jews in Germany. Another is that all the terrible damage caused in last week's destruction of Jewish shops and property must be made good by the Jews alone, and no insurance can be obtained. It was reported that Jews in Germany, many thousands of whom have been killed or driven out of their homes, are in a state of terror, both in cities and smaller towns where, in some cases, the whole population had been ordered out to attack Jews.

"Nazi Barbarism" And Consequences
In a reference to Chamberlain's article in the Times, the Liberal Opposition in the Reichstag has expressed its indignation at the fact that the fine is levied on the Jewish community in Germany, which is known as the most active in Germany. £39,000,000 MORE ON FRENCH TAXATION

Finance Minister's Drastic Measures
NEW TAXATION AMOUNTING IN ALL TO ABOUT £3,000,000 A YEAR, AND A THREE-YEAR-PLAN OF INDUSTRIAL AND ECONOMIC PROGRESS WERE ANNOUNCED BY THE FRENCH FINANCE MINISTER, M. PAUL REYNAUD, IN A BROADCAST ON SATURDAY NIGHT, WHEN HE REVEALED HIS NEW AND DRAMATIC DECISIONS.

The first three years require the gold stocks of the Bank of France—now assessed at 110 to the pound—at the rate of 130, and this is expected to yield a profit of £10,000,000.

M. Reynaud, declaring that the evil was not in finance, but in the country's economy, said that France was in the last rank of industrial production. The three-year plan provides for the reconstruction of 50 factory units and there is provision to work more than five and a half days a year.

GERMANY'S COLONIAL CLAIMS

To the Editor, "E. A. Standard."
I have read with interest the article in your issue of the 7th inst. regarding the British Government's attitude towards the German claims in Africa which have been made recently by the German Government.

How long it had been going on, but I am sure that it is not surprising that I should have heard of it. I am sure that it is not surprising that I should have heard of it.

The police have been asked, by the Government, to take steps to ensure that the German claims are not accepted. It is not surprising that I should have heard of it.

From another point view detailed in this paper and a similar case from the Government from a few months ago. The whole road could have been suitable, appropriate, better, and where the boundary of each country, a plain, descriptive notice could be erected which would record the fact that particular person's name was there. If there was a little gap in that there were no road, I would gladly give it to the name of someone I dearly loved and respect and who was particularly commended.

As I have seen the notice sent to pay for their work in each road, I am sure that it is not surprising that I should have heard of it.

The Government's attitude towards the German claims in Africa which have been made recently by the German Government. It is not surprising that I should have heard of it.

I am sure that it is not surprising that I should have heard of it. It is not surprising that I should have heard of it.

There was plenty to criticize in the letter. It would be a pity if it were not. I am sure that it is not surprising that I should have heard of it.

"APPEASEMENT PROSPECTS HINDERED"

British Comment On German Persecution

THE FIRST BRITISH GOVERNMENT SPOKESMAN TO REFER TO THE PRESENT PERSECUTION OF THE JEWS IN GERMANY WAS MR. GEOFFREY SHAKEPEARE, PARLIAMENTARY SECRETARY TO THE ADMIRALTY, WHO DECLARED THAT THE PROSPECTS OF APPEASEMENT WOULD BE HAMPERED BY SUCH OUTBURSTS OF MOB LAW.

There is no change in the outlook or the utterance of German news or officials, but former observers continue to assert that the attitude of the German people is a whole, particularly in Berlin as distinct from the provinces, is one of disapproval of the anti-Jewish measures.

London, Nov. 14. The first direct reference by a member of the British Government to the present anti-Jewish campaign in Germany was made yesterday by Mr. Geoffrey Shakespeare, Parliamentary Secretary to the Admiralty. He said, "It is scarcely necessary to say that the Government is not in favour of appeasement with this country in so far as it is concerned with the persecution of the Jews. It is not in favour of appeasement with this country in so far as it is concerned with the persecution of the Jews."

He repeated Lord Halifax's assurance that no such transfer would be made without the fullest regard for the interests of all sections of the population in the territories concerned. (Rustar.)

Radio Soon BETWEEN LAMU AND MOMBASA

["STANDARD" CORRESPONDENT] Lamu, November 13.

Some fairly heavy rain has fallen on this section of the M.P.D. road along the coast, the Lamu District and the road is predicted to be closed from November 19 onwards. It is not clear whether it becomes impossible to get to Lamu from Mombasa by this route when it ceases to be possible to get to Lamu from Mombasa by the bridge at Duffel has been converted from the open order "light-gauge" type and is now dotted all over. The approach from both ends have also been improved.

The main road road between Lamu and Mombasa is not subject to closing on these days regardless of whether rain has made it impossible or not, but the authorities are satisfied that damage to it would result if it were not fixed. This is a much more sensible arrangement and as the small roads have been inundated this year, so far, over the road is one of which it is still open. On this road, the weight of traffic has made necessary the replacement of some of the old steel bridge of light construction by that of greater strength.

Wireless Equipment.

The old telegraph line between Lamu and Mombasa has been giving a great deal of trouble recently and the line has been out of operation on several occasions. It is planned therefore, to read that just only in the summer but has been continued by wireless installation actually on the way out but, also that it will be a type suitable for wireless telephony. This is indeed good news.

I do not know how much reliance can be placed upon a rumor that is current in the town to the effect that the Post Office intend to place a light cone between the two in the near future, but our radio men certainly hope that it is true. The designs of this line have frequently been raised and I hear that still are under consideration just recently.

The cutting of mangrove pools for most seasons apart to the Persian Gulf has slackened of interest during this month of November and the tidal rivulets standing along the mangrove swamps, and further less than those of last year's plenty of time. However, there is still the concern there just recently.

Up until the spring and favorable news from the Gulf on to the group ports for sailing there would intensify desire to get accustomed to the ports of calling. Pending such information details are continued to limit their purchases for the time being.

GERMANY OPENS PRESS CAMPAIGN AGAINST BRITAIN

Reply to comments on Anti-Jewish Measures

THE HISTORY OF THE BRITISH EMPIRE RUN THROUGH
"THE AREA OF BLOOD" SAYS A TYPICAL COMMENT IN A
NEW GERMAN PRESS CAMPAIGN DIRECTED AGAINST
GREAT BRITAIN, AND OCCASIONED BY BRITISH RE-
ACTION TO THE ANTI-JEWISH MEASURES TAKEN IN
GERMANY.

The British record cannot be examined, say the German newspapers, which show such a degree of sympathy that it is thought that the campaign is chiefly inspired, and some of the strongest attacks appear in the organ of the German Foreign Office.

The American Ambassador in Berlin has been instructed to report to Washington, and will leave tomorrow, German sources say that the journey is a matter of routine which has been arranged weeks ago. American comment links it with the anti-Jewish measures.

November 15.
The German press this morning continues a violent campaign against Great Britain, the general theme being that Britain had no right to criticize Germany for the measures against the Jews since Great Britain was allied to Palestine, India, and Abyssinia and elsewhere where Jews were concentrated.

The article taken by the German press is in the columns of the "Berliner Tageblatt" and is headed "The British Campaign in the East." The article is directed against the British Government's policy in the East, and is a typical example of the "propaganda" which is being put out by the German press.

Dealing with British reaction to the report taken in Germany by the number of Herion Zionists, the newspaper says that the British Government is "in a position to deal with the Zionists and the Zionists are in a position to deal with the British Government."

"British Regret of Zionism"
The "Volkische Beobachter" says that Germany is accused by Zionists of having been the cause of the Jewish disaster. It says that the Jews declare that Britain has been the cause of their disaster, and that they have committed against the British Government the gravest crimes.

The newspaper attacked the Government's attitude towards the Jews in Palestine and the Jews in the East. It says that the British Government is "in a position to deal with the Zionists and the Zionists are in a position to deal with the British Government."

The United States Ambassador in London, Mr. Hugh Wilson, has been invited to Washington by Mr. Hoover for a report and conference. It is official reports that Mr. Wilson will be in London for the recall but officials in Washington believe that it is a matter of routine which has been arranged weeks ago.

LIBEL ACTION

£75 Damages Awarded

An action for libel was brought by the Rev. Mr. Grant against Mr. H. M. Allan for an article in the Standard of November 7. The alleged libel was contained in a letter written by Mr. Allan to the Nairo Stationer, Mr. Davie, appeared for the plaintiff and Mr. Allan for the defendant.

The matter complained of arose from the fact that Mr. Grant had signed the boy in a way, and had no reason to believe that the boy was a doctor. He had later been convicted for wounding a dog. He said that eight Kikuyu had been written to him and the two of the boys had come back. He had written to the Standard and signed his own name.

LONDON PRESS ON COLONIES

"Times" Suggests International Bureau

LEADING LONDON NEWSPAPERS YESTERDAY DISCUSSED GERMANY'S COLONIAL CLAIMS, AND WHILE ONE, THE "TIMES," SUGGESTED THE ESTABLISHMENT OF AN INTERNATIONAL BUREAU OF POWERS CONCERNED WITH AFRICAN COLONISATION AMONG WHOM GERMANY COULD BE INCLUDED, THE OTHER, THE "DAILY MAIL," DECLARED THAT MR. PIROW WAS TAKING TO BERLIN A PLAN FOR THE FORMATION OF A GERMAN COLONY IN EQUATORIAL AFRICA COMPRISING PORTIONS OF THE CAMEROONS, ANGOLA AND THE CONGO.

German comment on Mr. Pirow's forthcoming visit to Berlin does not directly mention colonies and says that, apart from Economic questions, the main subject of discussion will be the treatment of Germans in South West Africa.

In a speech at Marburg yesterday, General Smuts declared that the Union would fight for South West Africa if necessary, because it was theirs by the title of the Union's safety.

London, Nov. 16. "Today's issue of the 'Daily Mail' gives most prominent place to the news that Mr. Pirow is taking to Berlin a plan for a German colony in Equatorial Africa made up of portions of the Cameroons, Angola and the Congo and further, the 'Daily Mail' suggests that the German Government will send a representative to Berlin to discuss the plan. The 'Daily Mail' also says that the German Government will send a representative to Berlin to discuss the plan. London, November 16. A further effort was made to clarify the Premier's statements in the House of Commons by Mr. Chamberlain's spokesman, Mr. Chamberlain, in a speech in the House of Commons, in which he said that the Premier's statements were correct.

Unconditional Transfer
The Times' report that the Premier's agreement that the Congo would be transferred to Germany was a mistake, and that the Premier's agreement was unconditional.

Reference to the family his binding Great Britain and Rumania made by his Majesty King George VI and King Carol, at the State Banquet in Crown Prince's Palace in honour of the King of Rumania and Crown Prince Michael.

"I trust," said King George, "that... happy relations will continue in Africa and serve the interests of that peace which both our peoples so ardently desire."

London, November 16. Queen Mary and all the other members of the Royal Family left London for the Palace of St. James in London, to meet King Carol and Queen Elizabeth of Rumania.

The White and Gold Room at the Palace of St. James in London, where the King and Queen of Rumania were entertained, was a magnificent one.

King's Speech
King George, in proposing the toast of Rumania, referred to the long and bitter struggle of Rumania against the German aggression.

These matters appeared in the minutes of the 10th Ordinary Council meeting of the Kenya and Uganda Railways and Harbours Board yesterday. These figures were very small, he pointed out, but he thought that the traffic had had a very good year. The reason for this was that the heavy rain was of course the usual thing. The Board is the successor of the Board of the Kenya and Uganda Railways and Harbours, which was established in 1924.
