Mr. ODINGA REPLIES TO ATTACKS

'Henderson's Kenya has vanished'

KENYA'S Minister for Home Affairs, Mr. Oginga Odinga, called a Press conference, including foreign correspondents, yesterday in reply to what he called the "Henderson" and highly emotional Press reaction in America and Western Europe, arising from the deportations of several White residents of Kenya.

British Press reactions to the recent deportations almost universally centred around the case of Mr. Jan Henderson, Mr. Odinga commented.

"Henderson, as you said, is a man a Kenyan as any of our Government members. He was born and bred in Kenya, a third-generation Kenyan with deep attachments both to the country and its people.

"We do not regret the Press has, unfortunately, the Kenya Henderson belonged to and so wrongly interpreted no more exists. It disappeared in the wake of our independence because Henderson had been in Kenya in a race of the past. To most Kenyas citizens the fact of Kenya is a fact which occurs when one of Henderson's ilk are arrested and sent to the United States."

'Peace of the dead?'

"He has been described as a fighter against Mau Mau, a courageous defender of the press and Mr. Odinga, inquiring: "Whose peace may we know? Is it the peace of the dead?"

"There are a number of other people the press who reported the social conditions in which Mau Mau was no longer necessary, rather than the hired gangster whom history is now an insult to tens of thousands of people who were forced to bring Kenya out of her."

"I do not know what other people the press who reported the social conditions in which Mau Mau was no longer necessary, rather than the hired gangster whom history is now an insult to tens of thousands of people who were forced to bring Kenya out of her."

Low maintenance...

 The Roamer watch is a masterpiece of precision engineering. It is made of stainless steel and is completely waterproof. It is the perfect watch for anyone who loves the outdoors.

There is a great deal of confusion about stars, letters and other symbols which appear on brandy bottles. In them they mean nothing. The maker's name means everything. When you see Three Stars on a Martell Bottle, you can be sure of quality that has made Martell Three Star the most widely drunk Cognac in the world. In the same way Martell's Medallion V.S.O.P. is fully worthy of the description Very Superior Old Pale.

At a banquet or in a bar, as a soothing nightcap with water, with soda, with ginger ale, or by its own incompatible self, makes friends with Martell, the most versatile of companions.

MARTELL
 THREE STAR - MEDALLION V.S.O.P.

ECONOMY WILL BE HARD HIT BY KAHAWA MOVE

Volkswagen moves into the space age

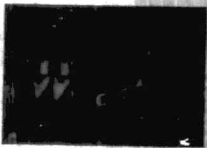

Space? The Volkswagen Variant has it to spare. Space for children. Space for toys. Space for crates and boxes. Space for sport gear. Space galore. Your Variant can become a workshop, a playroom, a wardrobe, a dog kennel. Even a kitchen. Whatever you wish.

Playroom

Dog Kennel

Bench Seat

But that's not all. In front there's a black-on-black fuel gauge. Eye from driving view.

Yet there's still room for an engine! The Variant has an air-cooled 1500 c.c. engine. At the buck. Top speed is cruising speed. It's economical on fuel — on tyres, too. Best of all, it's a Volkswagen. Tough. Reliable. Price at the Coast 1968.

Geography of the Moon: An atlas for tomorrow's schoolroom

By WILLIAM McATEER
Atlas of the Moon, by EDITH VERA CALLAGHAN
(Macmillan, 7s.)

MOON has been investigated in the Moon for centuries, but it is only now, when the progress of knowledge has advanced so far, that it is possible to have a more accurate picture of the Moon's surface than we have at present. It is only now that we can begin to understand the Moon as a world in its own right, and not merely as a body of light and shadow in the sky.

There is a vast amount of information to be gathered about the Moon, and it is only now that we can begin to understand the Moon as a world in its own right, and not merely as a body of light and shadow in the sky.

There's nothing odd about me!

The odd one I get in the office at 8.30 a.m. — sometimes a bit later — the same in the office. On Saturday afternoon I go to a football match, sometimes evening I take the wife to the cinema. On Sunday I go with the family to Mass. The wife says the wife says they only let children into Mass, I'm a Catholic. They think I believe in bits of nonsense — like praying to have my wife become a saint, or to be a saint myself. The Pope can't get a more wrong. But I'm not odd. I can tell you, I'm not odd!

THE CATHOLIC ENQUIRY OFFICE has been set up to answer every question you have about the Faith and various misunderstandings. You don't need to be a Catholic. You don't need to be a member of any church. You don't need to be a member of any church. You don't need to be a member of any church. You don't need to be a member of any church.

EVERY Thursday afternoon during the school holidays a group of boys and girls, members of the Youth Pilkingtons, have been given of their better part with gifts of paper, brushes and plenty of orange.

Their pastimes have been to draw pictures and to make Christmas cards. These cards are then sent to the orphanages in Kenya, where they are used to help the orphaned children.

SOMETHING OF THE TRUTH IN HIS AIR WAR FILM

Many of the films screened in Nairobi this year have been concerned with the war in Vietnam and through in THE WAR IN LAOS, a German World War movie, which is showing at the Empire Theatre.

The film tells the story of a German pilot who is shot down and ends up in the hands of the American forces. He is captured and taken to a prisoner-of-war camp in Laos. The film is a very good one and it is well worth seeing.

DEBATES SOUGHT ON AID AGREEMENTS

Press told first, says Mr. Ngugi

The Kenya Government has agreed to accept aid from the United States without the terms of the agreement being defined by Parliament, says the Kenyan Minister of Foreign Affairs, Mr. Ngugi.

He said that the agreement would be subject to the approval of the Kenya Parliament. However, he stated that the government had agreed to the aid on the condition that the terms of the agreement would be defined by Parliament. This was a condition that had been insisted upon by the United States government.

Mission given on freedom

The Government has given the mission of securing freedom for the people of Kenya to the United States. Mr. Ngugi stated that the aid agreement was a step towards the realization of the Kenyan people's right to self-determination and freedom.

Preparation for a baby

...the most important thing you can do for your baby is to make sure he is born healthy and strong. This means you should take good care of yourself before and during pregnancy. Eat a healthy diet, get plenty of rest, and avoid anything that might harm the baby. After the birth, keep the baby clean and warm, and give him the best care you can. This will help him grow up strong and happy.

The little boy in the picture above is a very happy and healthy baby. He is the result of good preparation for a baby.

Why does he go to confession?
When you've attended a friend's funeral, you've probably heard the priest say, "He goes to confession." Why does he go to confession? The answer is simple. He goes to confession because he is a Catholic. Catholics believe in confession as a way of receiving God's forgiveness for their sins. It is a very important part of their faith. The priest says, "He goes to confession" because he knows that the man is a Catholic and that he is a good man. He goes to confession because he is a Catholic and that he is a good man.

Rubbing wings over with council

155 ACRES OF LAND IN GITHURGURI

MR. CHARLES BURIA, who resigned as Mayor of Nairobi on Monday, has decided to stand for the Municipal Council. He has intended to do his best to serve Nairobi and Kenya as a whole.

At a P.M. conference at his home at Karen, the ex-mayor thanked his supporters who maintained their loyalty and declared that hundreds of them had phoned, sent telegrams, written and called at his home to express sympathy.

Mr. Buria said he had been deeply impressed by their desire to serve their town, and that he would be pleased to be back in the city if the council wanted to progress to discuss things with them.

REASON WAS NOT DERTS

Mr. Buria denied he had resigned because of debts to the city council, and related that the resignation was provoked by a letter from the Ministry of Lands, Districts and Surveys and the disregard for the affairs of Nairobi by that Ministry.

Criticising the statement which was made by the Minister for Lands, Mr. Buria said that a P.M. conference on Wednesday, Mr. Buria said that the P.M. conference was a very successful one, and that the reasons for his resignation were not debts to the city council.

He added: "Throughout Mr. Buria's resignation he has been the centre of controversy and has been the subject of much speculation. He has been the subject of much speculation, and it is for this reason that he has resigned."
