FRANCO'S WAR ON WOMEN AND CHILDREN

SERIAL ATTACK ON FLEEING POPULACE

Shooting at Lunatics

Scenes were witnessed during an air raid on a town near Bilbao during the week-end.

It is alleged that the Insurgents deliberately machine-gunned women and children fleeing to refuge and that they also directed their attention to patients taking exercise in the grounds of a lunatic asylum.

Terrible Air Raid Scenes

At Madrid April 4, a heavy bomber from Bilbao started dropping incendiary bombs on the city.

At Durango yesterday morning a flying machine, with a crew of two, was shot down, and a number of houses were destroyed. The population is leaving the town for Bilbao and Madrid.

MUTHAGA GOLF CLUB NOTES

"May Be" Entries Close To-day

PREMIER EVENT FOR LONG HANDICAPERS

(Privé)

I would again remind those members whose handicaps are 18 and over that the entry list for the "May Be" competition closes tonight at 6.15 p.m. I am rather surprised that many more members have not signified their intention of playing in this competition which, after all, is the premier competition of the year for the long handicap player. The entry list has been on the board for over a month, and at the moment there are less than 25 names on it. I hope that this final reminder will bring many more entries today. If any intending competitor cannot get to the club here today it may be necessary to ring the Secretary (Phone No. 5265) and have his name put down.

There is a slight alteration in the times of play which are now as follows:

1st Qualifying Round on Saturday afternoon.

2nd Qualifying Round on Sunday morning.

The first round proper must be completed by Friday, April 19th, while the second round proper will be played on Saturday, April 17, the semi-final on Sunday, April 18, and the final on Saturday afternoon, April 19th.

Match at Brookhurst

Our ladies did very well indeed last Saturday when they met the Brookhurst and won their match there by 51 points to 24. The following are the detailed scores: The Muthaga ladies being mentioned first in every match.

Ms. Scaffold beat Miss Campbell, 54 to 42.

Ms. Jeffrey lost to Mrs. Johnson, 1 Down.

Ms. Buckley beat Mrs. Howard, 54 to 42.

Ms. Burwell halved with Mrs. Howard.

Ms. Campbell beat Mrs. Barker, 54 to 42.

Ms. Flanagan halved with Mrs. Jennings, 4/2.

Ms. Billings beat Mrs. Johnson, 6/4.

Ms. Puller lost to Miss Davidson, 54 to 42.

The Morrison Men played for last Saturday was won by P.W. Vaughan, who returned with the exceedingly good score of 68. This was a very popular win and "P.W." tells me that after eight years he has at last succeeded in winning a cup. The runner-up was D.R. O'Rourke, who returned a score of 72 which is "C" himself has a net 73 all very good scores.

District Fourmenses

This very interesting competition, the Nairobi District Fourmenses, is due to be played on Sunday, April 25, and the following week-end on our course, Kiambo, Railway and Royal Nairobi have signified their intention of sending four competitors to the success of the tournament. There will be a luncheon in the clubhouse on Sunday, April 25, to which the officials of the three invited clubs will attend in addition to the players. Each part also the officials of the K.G.L., under whose auspices the competition is run.

On Saturday week April 17 our captain will be leading a team of sixteen ladies to battle against the Royal Nairobi ladies there, and it is sure that they should prove a very interesting match.

8th Annual Fixture To Be Held on June 9 Fifteen Open Events For Europeans

INTRODUCTION OF THE HAMMER THROW

There is no more popular feature of a district on the continent than the annual athletic sports, and it is to be held in Wednesday, June 9, on which day the 8th annual fixture will be held. The programme of the King's athletics club, each year has been growing steadily, and in 1907 will include another innovation, the introduction of the hammer throw. This is an open event for Europeans.

Although there is no programme of the hammer throw, and the 8th annual fixture will be held on June 9, it is to be held in Wednesday, June 9, on which day the 8th annual fixture will be held. Mountain Soccer Refuses. To-day is the day of innovations in every sphere of life. This applies particularly to sports.

A very keen sportsman from the Mchakos district who takes a great interest in the welfare of his native boys, and sees that they get plenty of sport, including soccer.

The other day he was decided to have a match but they were in need of a referee. They immediately turned to their manager and asked him to fill the breach.

The person concerned is not in the first flight of youth, and again, serves a considerable amount of aviculture. Most of his travelling on the shamba is done on horse back.

Another congratulated him on the effort but he felt a little pained at the mention of a large service on the credit side of the job of the thing, but it never seemed to amuse the man on horseback who could not do anything of the hammer throw. This is an open event for Europeans.

R.A.F. are said to have a stronger and better team than last year so all the others can look out. They played some very fine soccer but against some one else anticipate some "breakers."

Success Blow to Arsenal. Arsenal suffered a severe blow on Monday when they lost their match against Cardiff. Drake, midway through the second half, the field. Drake headed a ball, fell, and had to be carried off the field.

It seems less surprising that he will not play again this season. Drake is then regarded as a chance of appearing in the international match with Scotland at Hampden Park.

UNION PREMIER AND SOUTH WEST AFRICA

EXPLAINS WHY PROCLAMATION WAS NECESSARY

Citizens Intimidated

STATE OF AFFAIRS WHICH COULD NOT BE ALLOWED TO CONTINUE

Germany is taking a very serious view of the Union Government's decision to put down Nazi activity in South West Africa and an official spokesman said the matter was found to have repercussions.

General Hertzog in a statement in the House of Assembly said the Union Government could no longer tolerate the activities of certain Germans in South West Africa which amounted to intimidation of Union nationals.

The South African Press is very indignant about the German attitude to the Proclamation and, in a reference to the facts revealed by the South West Africa Commission, says there has been a more or more blatant infringement of international decency.

German Anger

for the last thirteen years to find solution has been unsuccessful. In the last three years some would have more serious results. Instead of co-operating with the Government of the Union, the German Government has called the attention of the German Government to the state of things with a view to persuading the German Government to take over the administration of the territory.

A Berlin message states that a German official spokesman said last night: "We are taking the matter very seriously. Even if Germany was the only solution of the problems of South West Africa, suggestion by Dr. Malan that Germany should be invited to take over the administration of the territory is regarded as an intolerable insult to the South African and other friendly co-operation with the Government of the Union."

The Prime Minister said the Union had always been more sympathetic towards the German section of the Union. The friendly spirit of the Union Government had not changed. But Germans had taken to introduction of such as the intimidation of the German who had been in the past. There had been no longer tolerable state of things.

VESSEL FIRES AT THE ATTACKERS

Bogota, April 7. The British destroyer "Gullion" was attacked yesterday afternoon by three aircraft while proceeding between Valparaiso and Montevideo. In the first attack a single bomber, operating at about 10,000 feet, dropped six bombs, of which one fell about one hundred yards from the destroyer.

The destroyer altered course at high speed and opened fire on the bomber. The vessel was damaged by the explosion of one of the bombs.

The insurgents, the leaflet continues, will be in the hands of the Government to end and have the means to carry out their intentions.

Victory Near Bilbao

The insurgents claim a victory in the vicinity of Bilbao, where nearly 900 Government troops were killed and captured. The Government is stated to be bringing up reinforcements and evacuating civilians from the front. The Government is under fire from an ammunition dump at Cleto including half a million shells. The Government is also sufficient waterproofs to equip all the insurgent troops operating in the district.

Mr. Bennett said that judgments were as satisfactory as the decision of the Council in the secession case of 1911. ON RUMORED CHANGE IN U.S.A. GOLD POLICY

Mining Shares Suffer

OFFICIAL DENIALS FAIL TO CHECK MARKET NERVOUSNESS

Stocks and shares of all kinds including gold mining shares and base metal investments dropped seriously on Wall Street and the London Stock Exchange on Wednesday when there was considerable unsettlement, owing to rumours about a change in the United States gold policy.

Despite official denials reports gained currency that the United States intended to lower the price of gold and was likely to prohibit further consignments from abroad.

There was also a sharp fall in the price of silver.

Deflation Suspected

[THROUGH BRETHER'S AGENCY.]
 Washington, April 8. The United States Treasury states that its gold policy remains unchanged.

A New York message says that several of the largest banks, that were at the time of the recent assignments from London to the United States Treasury, are now refusing to accept further gold consignments from London to the United States Treasury, in a plan to restrict gold imports by reducing the price of gold.

In London it is reported that New York banks think that they have received full instructions not to make any further gold consignments.

Silver Declines
 According to an American Agency, the price of silver is not likely to press for extension of the London silver treaty. Since the

GERMAN PRINCE

Invited to Attend Coronation

[THROUGH BRETHER'S AGENCY.]
 Berlin, April 8.

An invitation to attend the Coronation has been sent to Prince Friedrich, youngest son of the ex-Crown Prince, who also attended the funeral of King George V.

United States is having more silver than the whole world production it is alleged that the treaty is virtually inoperative. There was a sharp fall in the price of silver as a result of speculative selling and weakness of the Indian market. The price fell by three-eighths of a penny to two and one-eighth pence per ounce.

Metal Market

In the metal market there were also sharp falls. Conflicting quotations of late business showed that copper had fallen by £1.15 per ton to £100.50, its lowest price since £12-17-6 to £12-17-6 and lead one-eighth to £12-17-6.

Severe Selling

London, April 8.

Wall Street and the London Stock Exchange had a very unsettled day yesterday. On Wall Street selling was so severe that the "tickers" were unable to keep pace with the market. Many orders were cancelled. Gold mining shares and base metals were included in the fall. When the close was reached, the prices in nearly all sections showed serious declines.

The London market was said to be upset by the report of the unwillingness of the American banks to take further gold consignments.

ITALY'S NAVAL PLANS

Britain Interested in Reasons

[THROUGH BRETHER'S AGENCY.]

London, April 8.

The new Italian naval plans have aroused great interest, particularly the reasons given. Some observers think that the reference to the Eastern Mediterranean arose from the recent territorial move from the recent peace by Sir Samuel Hoare, First Lord of the Admiralty, who said that Cyprus could play a more important part in the Mediterranean, and added: "I have always thought Cyprus is important from the air point of view."

To all Tired Men

"A busy day ahead and I feel like nothing at all" strength to fall back upon. If this is not done, the countless symptoms of "nerves" appear: fatigue, indigestion, lack of vitality and concentration, forgetfulness, stomach trouble, sleeplessness - nerve weakness is behind them all.

There is one thing the matter with you - and one only one thing. You have exhausted your nerve-strength and now everything "goes wrong". Strengthen your nerves by giving them Sanatogen, and you will soon feel all right again.

Sanatogen was made to strengthen over-taxed nerves, and over 25,000 physicians have testified in writing that Sanatogen really does what it promises to do: it gives new health and energy to tired and run-down people.

Nowadays, with the constant strain and worry, one must give the nerves a reserve of strength to fall back upon. If this is not done, the countless symptoms of "nerves" appear: fatigue, indigestion, lack of vitality and concentration, forgetfulness, stomach trouble, sleeplessness - nerve weakness is behind them all.

They Say

Being extracts from references to East Africa in the Overseas Press.

I LOATHED THE IDEA OF ANY AFRICANS BEING HANDED OVER TO THE NAZIS. BUT I AM BOUND TO ADMIT THAT EVEN BY 1944 THE GERMANS HAD MADE A BETTER SHOWING IN EDUCATING AFRICANS IN WHAT IS NOW TANGANYIKA THAN OUR GOVERNMENT HAVE MADE BY 1937. THE TRAGEDY IS THAT THOSE GOVERNMENTS MIGHT, JEIST BY MAKING AFRICAN EDUCATION THEIR MAIN AIM, HAVE MADE OUR COUNTRY SO RICH THAT EVEN SO BELIEVED THAT THE CESSION OF AFRICAN TERRITORY TO ANY FOREIGN POWER WOULD BE IMPOSSIBLE.

A remedy of proved value and universally recognized by doctors, it may be taken with absolute confidence and with certainty of benefit. Angier's Emulsion has won a splendid reputation throughout East Africa, where it is largely used not only for building up after fevers, but also for lung troubles, rheumatism, and liver disorders, and is the most palatable of all emulsions and agrees perfectly with delicate, sensitive constitutions. Equally useful for adults and children.

NEW DELHI, March

Let no one forget that we have entered the legislature not to cooperate in any way with British Imperialism but to fight and end the Act which enslaves and binds us. The outstanding fact of the elections is that the people of the country have given their verdict clearly, unequivocally and emphatically against this Slave Constitution.
