SPANISH COASTGUARD VESSEL'S DISCOVERY

Government Crisis

It is now generally believed that the cause of the explosion aboard the destroyer "Hudius" off the coast of Spain was a mine, and a new type of mine has been discovered in the same waters by a Spanish coastguard minesweeper.

There has been a Government crisis at Valencia, and a new Cabinet has been formed. Senor Largo Caballero retains the premiership and the new Cabinet is similar to the last.

The land forces of both sides appear to have been quiet during the week-end, but there are reports of heavy losses caused by insurgent and Government air raids on Valencia and Saragossa respectively.

## New Stars on the Horizon In a Russian Spy Story

**"MOSCOW NIGHTS"** is one of the best acted and most amusing films seen in Nairobi for some time. The cast includes Harry Bauer as Brinkley, Queen Elizabeth as Ignatoff, Tompkins Ward as Madama, and Anne Seyler as Madama's niece. Her story set in Russia during the war. Madama, a wealthy and highly educated woman, is engaged to a Russian nobleman. Captain Lawrence Olivier made his stage debut at a Shakespeare Festival in Stratford-on-Avon. He is one of the most talented of the younger men on the West-End stage and great things are expected of him. He has just won an opportunity to appear in a good comedy and intelligence film with Anne Seyler and Tompkins Ward, who plays the lovely Madama, and who is a very beautiful and capable singer. Madama's niece, who is the aid of Captain Lawrence, and a court-martial for the same. The cold, calculating nature of the prosecution destroys her of his defence, and the end of his rival in love. "MOSCOW NIGHTS" is well sustained until the very last shot of the film.

Harry Bauer gives a magnificent performance as the present. His dramatic interpretation of the part is a magnificent one for the level. Tompkins Ward enters the comedy with a somewhat popular on the screen. Her performance is a magnificent one for the level. Tompkins Ward enters the comedy with a somewhat popular on the screen. ## An Operatic Triumph "The Divine Spark": Music and Romance

"The Divine Spark," a film which contains probably the most famous operatic aria which ever appeared on the screen. The private lives of those near whose spiritual status is greater than that of the majority of men. He has always been of great interest to the man in the street, who is eager for details which will give him a clue to his source of genius.

Belina's case (Phillips Holmes takes the role) the film story tells us that it was his love for Maddalena Fumelli (played by Maria Eggerth) that inspired the music. An interesting film story, the entrance of Hugh Miller as a young composer, a perfect little character who gives the picture a certain emergency. Edmund Brown as a young composer, another excellent study, and Donald O'Rourke plays Madama's father, plays "Mama" and will play "Mama" in a scene as Roman, Arthur Hargreaves as Romeo, and Felix Aylmer as the butler supporting an exceptionally strong cast.

**The Film:** "THE DIVINE SPARK"  
**The Stars:** Maria Eggerth, Phillips Holmes, Donald O'Rourke, Edmund Brown, Arthur Hargreaves, Felix Aylmer.  
**The Verdict:** First rate picture. Playhouse Theatre. All the week.

## Wheeler and Woolsey They Made Rain—And Bright Snow

Wheeler and Woolsey, two popular vaudeville acts, have been the stars of the comedy work in "The Rainmakers." The two comedians have a marvellous sense of timing, and in a series of public services they are about giving us a new and different idea of the comic in vaudeville. The most hilarious scenes follow, ranging from the production of tropical rain to the production of snow.

**CORRESPONDENCE**

**THE EDITOR, "E. A. STANDARD."**  
Sir—The Editor does not accept responsibility for the contents of letters sent in by correspondents in these columns and in all cases the names and addresses of writers should accompany a letter, and necessarily for the Editor's use in a guarantee of good faith. Strictly his own account is published.

**COOPERATION AND KENYA YOUTH**

**To the Editor, "E. A. Standard."**  
Sir—Congratulations are certainly to be offered to the organizing powers for their excellent work in the Colonization, and particularly to Messrs. Cable and Wainman Ltd. No impressive and successful work is shown here in these days, but the best record possible for your colored races, which will lead to do this I do not doubt. It is the responsibility of the Colonization and particularly, the Government, to show here in these days, but the best record possible for your colored races, which will lead to do this I do not doubt.

**"INTERESTED"**

**To the Editor, "E. A. Standard."**  
Sir—Quite a number of letters have appeared recently in your valued paper on the subject of Game and Game Preservation, and as an old Kenya resident with some 25 years experience, I venture to express my opinion on the subject.

Sir—Quite a number of letters have appeared recently in your valued paper on the subject of Game and Game Preservation, and as an old Kenya resident with some 25 years experience, I venture to express my opinion on the subject.

**BURBERRYS**  
**To the Editor, "E. A. Standard."**  
Sir—I have had an opportunity of reading a letter from "Glimmer" with reference to the above subject, and I wish to agree with him in practically everything he has said. I do not think there is any necessity to discuss what certain members of the Council have said, but I do hope that the European readers will use your columns to give the Standard his excellent idea of their requirements.

**LEADERSHIP**

**To the Editor, "E. A. Standard."**  
Sir—In your Week-End issue of 1936, volume I, I read with interest the speech delivered by His Excellency the Governor, Air Chief Marshal Sir Robert Brooke-Popham, on the same George's dinner at Nairobi. Part of the speech as reported in your journal reads: "The Government of Kenya is the training ground of men who become the leaders of the future of the country." I am sure that the world would be the better for it.

**INDIANS IN KENYA**

**To the Editor, "E. A. Standard."**  
Sir—There are two kinds of madmen. These are those who profess that they can kill two birds with one stone, and the other kind who, aiming at one bird, find that their great arrow has killed two birds. The first kind, probably a madman, has been the Government of Kenya. The second kind, probably a madman, has been the Government of Kenya.
