THE GOAL OF FREEDOM FROM WANT

(By Dr. A. R. Gregory)

WHEN the United Nations decided to set up a body to study the world-wide problem of want and want, it was in the knowledge that the world was suffering from a shortage of food, clothing, and shelter. It was also in the knowledge that the world was suffering from a shortage of education and health services. It was also in the knowledge that the world was suffering from a shortage of economic freedom and political freedom.

SUGAR PRODUCTION LABOUR SHORTAGE THREATENS LOSS

The Editor, "E.A. Standard" - Sir, - The sugar industry in Kenya is facing a serious labour shortage. This is due to the fact that many of the workers have been recruited to other parts of the country. This shortage is likely to result in a loss of production and a consequent increase in the price of sugar.
