It gets dirty — so your engine won't

As it flows around your engine, new Custom motor oil scrubs off varnish and Custom motor oil scrubs oil varnish and sludge and abrasive particles. It cleans up the bearing surfaces. Unclogs the oil passages. Washes away, and keeps away, the harmful deposits that can make your engine old before its time.

Oilier at all engine temperatures

Even when your engine is cold and an ordinary motor oil would be thick and sluggish new Custom flows easily over the bearing surfaces. Makes starting easier, cruising smoother protects your engine, not just against changes in cli-

# CALTEX CUSTOM **Five Star Motor Oil**

the world's most advanced multi-grade motor oil

Lubricated with an ordinary additive motor oil

Lubricated with CALTEX CUSTOM Five Star Motor Oil

It gets dirty -

As it flows around your engine, a Custorm motor oil scrubs off varnish and sjudge and abrasive particles. It offens up the bearing surfaces. Unclags the oil passages. Washes away, and keeps away, the harmful deposits that can make your engine old before its time.

Even when your engine is could and an ordinary motor oil would be thick and sluggish, new Custom flows easily over the bearing surfaces. Makes starting na smoother - removement engine, not just against changes in climate, but fully over all its operating

New Custom motor oil has special zincphosphorous additives that bond the oil to the metal-itself. They make sure that no bearing is ever without a film of ail, no internal metal surface is ever without protection from acid, rust or

That's a phrase meaning made-to-mea sure, or specially formulated to meet certain conditions. Now you know why we've called it Custom - because it is specially engineered to solve your lub. specially engineered to solve your ub-rication problems. You'll get better acceleration, more miles per gallon. Your car will last longer, with less wear and less trouble And this can save you agreat deal of money

Developed by Caltex research, tested in all kinds of engines and climates by Caltex' world - wide operations, new Custom Five Star motor oil meets the lubrication requirements of all cars, exceeds all previous standards, is the most efficient and comprehensive lub ricating oil that modern technology can devise.

# FARMING REVIEW

# Growing still below average

By JACK ENSOLL
In its review for the second
quarter of this year the Economics and Market Research
Division of the Kenya Ministry
of Agriculture reported that
growing conditions for 1969planted crops in Kenya were
better than three months earlier
but were still below average.
Widespread rains during May

but were still below average. Widespread rains during May relieved in most areas the dry conditions resulting from the unusually low rainfall of late March and the month of April. Much damage had, however, already been done to crops. Those pianted during March tended to wither during April and replantings and late plantings during May were in some cases adversely affected in some cases adversely affected

According to the Ministry, crops are generally very poor in much of Eastern and Coast Provinces, and throughout the country there is a great deal of variation within comparatively small areas.
