"A woman in your ear"

BECAUSE you are a businessman and a successful one. But are you sure you are as successful as you could be—as you deserve to be? Are you certain that you are getting the utmost out of your business? To realise full profit you must get the maximum out of the working hours for which you pay and you must find out how many of these working hours can be sold to customers. Good office machinery can help you to achieve the first of these aims by speeding up office procedure and by reducing mental and physical strain for your staff. A well-equipped office will assist you to attain the second goal by providing you economically with complete and accurate records of your activities. Analyses of such records will show you how much of your purchased time you must sell to establish a fair profit. The Olivetti machines shown here are efficiently designed to help you make profits. With them you servicing facilities second to none. We are happy to demonstrate their qualities.

Olivetti business machines for real business. Includes images of Olivetti typewriters and the Olivetti logo. Text: "Why me?" "Olivetti business machines for real business" "BUSINESS MACHINES LTD."

WORLD REVIEW

BY PREMIER

Position in Egypt explained

CHURCHILL, Britain's Prime Minister, has told a session of the United States Congress that it is not a question of whether the British will be driven from Egypt, but of how they will be driven from it. He said that the British will be driven from Egypt only if they are driven from it by force. He said that the British will be driven from Egypt only if they are driven from it by force.
