RESPONSE

TO THE EDITOR, "E.A. STANDARD"

Mr.—I think the time has come when the electricity cost should be reviewed. In Kenya my electricity cost runs at 8 p.m. per unit. On Sunday the power is cut off at 2.30 p.m. until 10 p.m. Monday and again at 9 p.m.—Tuesday and 10 p.m.—Wednesday. The meter is not running during these hours. In the morning lights are blotted in the afternoon.

I think when I can, to electricity the meter will fall over to the meter. I have had a meter installed in my house at 2.30 p.m. until 10 p.m. Monday and again at 9 p.m.—Tuesday and 10 p.m.—Wednesday. The meter is not running during these hours. In the morning lights are blotted in the afternoon.

LITTLE CHANGE IN THE LEAGUES

Newcastle gain ground on Portsmouth

DISPITE the magnetic attraction of the F.A. Cup on Saturday the leagues continued to hold interest for many and Newcastle United increased their challenge in Division I, but had to thank Huddersfield for two goals, put through by the Town's own players.

Derby County's £24,000 Johnny Morris enabled them to stay in third place with his first goal, against Manchester City. Portsmouth won the championship race by three points only but their exit from the Cup will mean they will concentrate on league problems until season's end.

Nothing seems likely to stop Southampton going back to the top and drawing by both Fulham and West Bromwich Albion to gain a sixth place lead.

In the relegation race a good win for Tottenham Hotspur, Forest, West Ham and Ipswich.

Division I (South) gained a point at Exeter and the English league.

"HIS MASTER'S VOICE"

"HIS MASTER'S VOICE"

Presents

THE ELECTROGRAM DE LUXE

The very last word in the science of sound reproduction the 'Chief d'oeuvre' of 'His Master's Voice' research in this field.

It is the result of highly specialised pioneer work and development over the past ten years by technicians whose experience and laboratory facilities are probably unrivalled throughout the world.

An instrument which, with appropriate records, brings the Gramophone to the very peak of perfection.

RECOMMENDATION OF Kibera Sundance

The Kibera Government has made a statement on the financial position of the Kibera valley, a statement reported by Mr. E. A. Vasey, Member for Nairobi North, in the budget session of Kenya Legislative Council.

Government states that progress in the development of the Kibera valley has been held up by the difficulty of raising additional funds for the project. A considerable amount of work has been done in the past few years, but the financial position is such that it is not possible to carry on the work at the present rate.

Up to a suitable locality is found for the station where the line will be constructed. The railway administration has completed a survey of the route and has decided to build a line from Nairobi to the station. The line will be built in stages, and it is expected that it will be completed by the end of the year.

Regarding complaints of ill-health in the village near Dugite, the District Officer, Nairobi, is giving his attention to determining the cause of the illness. It is believed that the illness is due to the water supply in the area.

CORRESPONDENCE

To the Editor, "E.A. Standard."
Sir—Reading your issue of 22nd March, I was surprised to find that you had printed a statement by Mr. E. A. Vasey, Member for Nairobi North, in the budget session of Kenya Legislative Council, regarding the financial position of the Kibera valley.

It is interesting to note that the Government has decided to build a line from Nairobi to the station. The line will be built in stages, and it is expected that it will be completed by the end of the year.

Regarding complaints of ill-health in the village near Dugite, the District Officer, Nairobi, is giving his attention to determining the cause of the illness. It is believed that the illness is due to the water supply in the area.

KINDNESS TO ANIMALS

To the Editor, "E.A. Standard."
Sir—My dog was knocked down last night by a motor car. The driver did not even have the decency to stop and see to the dog's condition. He simply drove off, leaving the dog lying on the road. I was shocked and angry. I hope that the driver will be punished for his cruelty to the animal.

COST OF LIVING: MEAT

To the Editor, "E.A. Standard."
Sir—I have read your article published on how the Meat Marketing Board proposes to increase the cost of meat. I am sure that the Government will take steps to reduce the cost of meat for the people.
