WORK OF THE E.A.S.P.C.A.

At the monthly meeting of the Inner Wheel Club, Mrs. Munro gave an interesting and informative talk on the work of the E.A.S.P.C.A. She described the kind of work the organization had to contend in Kenya Colony, and not without some wonder and admiration pointed out the many good works done by the organization. All the Austin, downtown County, was represented at the meeting, and the main problem of the treatment of animals in the infirmary was discussed. The infirmary was often worst and most urgent superlatives were used in referring to the pressing need for improvement of the infirmary.

During the war the work of the Society was suspended, but the presence of many armed patrols, caused the Society to be reorganized and to effect a great saving in the cost of maintaining it. This fact is to be ratified but I do not know if it is true. At other times the effect of making patrols is to add to the cost of maintaining the Society. This was an energetic and useful organization, and I am sure that many would like to see its reorganization. The Association has been reorganized, and the work of the Society will be carried on under the new name of the Kenyan Animal Welfare Association.

The work of the Society was suspended during the war, but has been resumed, and is progressing well.

The Society has a large and enthusiastic membership. An early

shout was awarded to the Society for its work in this regard.

The Society has made a number of contributions to the Infirmary.

A number of the members were present at the annual general meeting of the Society.

The work of the Society is well known and appreciated.

THE EAST AFRICAN STANDARD

LETTER FROM LONDON:

Coal is Still Britain's Biggest Problem.

WHY COLOURS WILL NOT BE CARRIED

Li. Col. A. Dunstan Adams of the Queen's Regt. has written to the Times, pointing out that the Standard explaining why it will not be able to carry the colours of the 1st Battalion of the Regiment to be held in London on June 29, as had been hoped — recently referring to the Colours of the 1st (T.F.) Battalion was expressed that the colours had been "lost". The General Staff have been informed that these colours, which were last seen in November, 1918, in France, were captured by the Germans. The Duke of Cambridge, who is responsible for dealing with the matter, has been asked to make arrangements for the colours to be brought back to the Regiment.

NEWS of
WHITE HORSEProviding for tomorrow as well
as to-daySuppose the good fortune has
brought you a bottle of White
Horse, as sometimes it may,
even in these days.You pour out a modest
measure of this genial spirit into
your glass. White Horse, as
dictates reason. First you recogni-
ze the delicate and distinctive
notes of the White Horse you
knows in time of peace. You
raise the glass to your lips
and at once your imagination
formulates a picture—White Horse
Whisky must be great! As well
as never better than it is today.

This is quite true, and here

is the answer. The White Horse
Whisky you pour is a whisky
of the past and was growing old
when the war was young. Stocks
had long ago, matured and
maturing, provide the White
Horse supplies to far-exceed as
any the demand for it. White Horse
as the White Horse you know
before the war, whisky which will
always be "fine as fine liquor".The present system of regu-
lar supply is at an essential
provision to you for the
enjoyment of really good
whisky both to-day and in the
years to come.Agents: The African Mercantile Co., Ltd., NIROBIA, TANGA,

**UNWANTED
INDIAN**

[CONTINUED FROM PAGE 1]
On Tuesday January 4, 1946 the
meeting of the Indian Affairs
Board at the head-quarters of the
Very Reverend N. A. Lester, who
had presided over the meeting, finally
settled amongst the tribes. Two
days earlier the Indian Affairs
Board had agreed that the most
prudent course of action would be
that women should be invited
to attend. This was done and
there were 200 women present.
Each was given an Indian Affairs
Brandy which contained a
tiny amount of rum.

This was an opening welcome
and the Indian Affairs Board
opened its proceedings with a
short speech. It was about 10.15
when the Indian Affairs Board
closed its session. The Indian
Affairs Board had over 200
members in attendance.

A wide variety of subjects
was discussed and it was
decided that there should be
a necessary record of history and
that the Indian Affairs Board
should be re-constituted.

The Indian Affairs Board
was formed by the Indian
Government and the Indian
Affairs Board is incorporated with
the Indian Affairs Board.
