**Date:** 30th November 2012 | **Time:** 10.00a.m - 11.00a.m

## Bibliography

President Tony Frank received his bachelor's degree in biology from Wartburg College and his Doctor of Veterinary Medicine from the University of Illinois. He completed a Ph.D. and residencies in pathology and toxicology at Purdue University. He served on the faculty at Oregon State University before joining Colorado State in 1993, where he served as chairman of the Department of Pathology and Associate Dean for Research in the College of Veterinary Medicine and Biomedical Sciences. Dr. Frank served as Vice President for Research and Information Technology at Colorado State from 2000-2005. In this role, he was responsible for the network and data systems of the university and for oversight of the approximately \$303 million in research activity that occurs annually at Colorado State. He was appointed to the position of Senior Vice President in July 2004 and was responsible in this role for coordination of the academic core of the university. In 2005, he also assumed the title of Provost of Colorado State University, leading the Division of Academic Affairs and serving as CSU's chief academic officer. Dr. Frank was named Senior Executive Vice President in 2008 and later in 2008, President of the University. Tony and his wife, Patti, have three daughters.
