

Consultative Collaborative PhD Programme (CPP) Meeting

The School Management held a Consultative Meeting with the 2011 class of CPP Students on 9th January 2015 in the director's board room. The meeting was convened to deliberate on progress with PhD thesis writing and is part of monthly meetings organized by the director to fast track PhD students' progress. The meeting deliberated on among other matters issues surrounding terms and conditions of scholarship and internship. The students were encouraged to work hard towards completion of their PhD programme.
